OFF THE CLOCK.

A clock can't always tell you when it's time for breakfast! Eat at home, before you start your day. Or eat when you get where you're going. Or eat something mid-morning. Research even suggests kids learn and feel better when they eat TWO smaller healthy breakfasts.

EAT BETTER. PLAY HARDER. LIVE HEALTHIER. LEARN EASIER.
WELLNESS IS A WAY OF LIFE!

**MANY
MOONS**

Native Americans had special names for every full moon of the year. One name for this month's full moon is the "Full Crust Moon," because by March snow cover is melting during the day and re-freezing and crusting over by night.
