Have A Heart February Fundraiser

13thirty Cancer Connect

Courtesy of Michael Elphick, Rush-Henrietta Senior High School Social Worker and Club Advisor for Natural Helpers.

The Rush-Henrietta Senior High School and Fairport High School girls' basketball teams, along with the R-H Natural Helpers, sponsored a fundraiser for 13thirty Cancer Connect. Together, they raised \$1,000.

When Coach Renee Long approached me about planning a cancer fundraiser at one of their games this year, I knew right away that 13thirty Cancer Connect was the program we wanted to support. Natural Helpers have worked with this exceptional program in the past, raising money through *Going Bald for Bucks*. 13thirty provides programs and support for teens and young adults living with cancer. The program has its genesis at Rush-Henrietta when a high school student, Melissa Sengbusch, was diagnosed with cancer. Here is a part of her story from the 13thirty website:

In April of 1998, Melissa was a typical, high school senior preparing for the Senior Ball, graduation, and life's many opportunities when she was diagnosed with Myelodysplastic Syndrome, a rare bone marrow malignancy. She had just been accepted to the University of Pennsylvania where she dreamt of pursuing a career in advanced practice nursing.

Sadly, she succumbed to the disease while enrolled in college. Before she died, she asked a promise of her mother.

"IF YOU HAVE LEARNED ANYTHING FROM ME THROUGH ALL OF THIS, DO SOMETHING WITH IT TO MAKE A DIFFERENCE - TO MAKE THINGS BETTER."

Melissa's Living Legacy was born of this amazing young woman's last wishes. Over time, the program has grown to include young adults up to age 30, thus 13thirty Cancer Connect.

During the week, we held opportunities for students to donate and win gift cards to 13thirty. At the girls' game on Friday, February 3, players and coaches from both R-H and Fairport wore socks and shirts to recognize the cause, while parents and fans were able to donate and participate in raffles for local businesses, an honor/memory wall of loved ones impacted by cancer, and a halftime shooting contest.

Without a doubt the most memorable part of the evening was just before tip-off when Lauren Spiker, Melissa's mom, addressed the crowd. It was without question an emotional talk, as she discussed how much it meant to her to come back to R-H and see the students and families. Lauren's courage and grace in sharing her daughter's story was powerful.

It was a wonderfully positive night with a large number of teens helping to raise money and promote this exceptional program! I am often asked, "How do you keep doing your job with all the challenges we have these days?" My answer is an easy one - when I see students doing amazing things like this it makes it all worth it!
