

Winslow's "Giving" Book Exchange Program

In the spirit of "giving" this month, we'll be celebrating our love of reading by "giving" gently used books and in exchange each child will be able to pick out a "new" book!

How it Works:

- Students and their families search their homes for gently used, age-appropriate, books that they can donate to Winslow. Students can bring up to 5 total (NO BOARD BOOKS PLEASE).
- Students can drop-off their donations to the Book Exchange Table in the main lobby on Tuesday, November 19th and Wednesday, November 20th from 7:40-8:15 am. (We are in desperate need of CHAPTER BOOKS!)
- On Thursday, November 21st, students will be able to pick out a "new" book, during lunchtime.
- Any leftover books will be used for next book exchange in February!!

Please help share the love of reading by taking part in the exchange
