Superintendent's Message

Dear Rush-Henrietta Community,

Our district is committed to providing a strong educational foundation for each and every Royal Comet. That is as true for our Universal Pre-Kindergarten children as it is for students preparing to graduate as members of the Class of 2026. We have accomplished so much in terms of our strategic plan, Vision 2037. Here are a few examples of the important work we have achieved:

GOAL 1 - Excellence for Every Student

Example: Rush-Henrietta is placing a renewed emphasis on helping students develop strong literacy skills using a new curriculum at our K-6 schools. Amplify Core Knowledge Language Arts, or CKLA, is based on decades of early literacy research showing the importance of background knowledge and explicit and systematic instruction in foundational skills.

R-H will sustain and further develop its culture of academic distinction by championing the potential within every student.

GOAL 2 - Preparing Students for the Pathways to Tomorrow

Example: Nearly 100 people attended our second annual R-H Works Industry Breakfast, bringing local business and community leaders together with students. The goal was to generate thoughtful conversation about the skills and attributes essential to the workforce of the future.

R-H will be a driving force for workforce development and a cornerstone for community growth.

GOAL 3 - A Foundation to Flourish for All Students

Example: R-H continues to find innovative ways to meet the needs of students through inclusive learning opportunities. In 2026-2027, the high school will offer new courses such as Introduction to Theatre, Introduction to Dance, and Unmanned Aerial Systems, with a focus on drones.

R-H will cultivate a vibrant educational landscape where every student's engagement is ignited and positive behavior is naturally fostered.

GOAL 4 - A Cohesive and Inclusive Community and Culture

Example: R-H was proud to host events with students and families to discuss our shared values and aspirations. The Student Leadership Summit allowed representatives from grades 4-12 to engage with district administrators. R-H families also were invited to a Parent Leadership Summit. Join us again on April 25, 2026!

R-H is dedicated to fostering a cohesive and welcoming community, where open communication serves as the foundation for unity.

This year, Rush-Henrietta is placing further emphasis on creating additional career pathways, providing new course offerings, and refreshing our school facilities. Life is changing rapidly around us and our ability to adapt is paramount. In everything we do, our goal is to help all students fulfill their full potential. Thank you for joining us on this incredible journey!

Sincerely,

Dr. Barbara Mullen, Superintendent

The school district is governed by a seven-member Board of Education elected by eligible voters of the district. Members are volunteer public officials who serve, without pay, for three-year terms. As elected representatives of district residents and as officers of the state of New York, board members must carry out duties required by the state Legislature, the Board of Regents, and the state Commissioner of Education. The board establishes policies for the operation of the district and the superintendent of schools carries out these policies.

Board meeting dates are indicated on the monthly calendar pages and on page 3 or by accessing the online calendar on the district website, www.rhnet.org. Meetings begin at 7 p.m. and are held in the Dee Strickland Conference Room at the Parker Administration Building, 2034 Lehigh Station Road, unless otherwise noted. The board transacts business only at scheduled meetings. Special meetings may

be called at the discretion of the board president. District residents are invited to participate at a designated time in all regular board meetings. All board meeting information is available in BoardDocs, located under the Board of Education tab on the district website, www.rhnet.org.

Letters to and questions about the Board of Education can be addressed to Cheryl Castronovo, school district clerk, at 2034 Lehigh Station Road, Henrietta, NY 14467. She also can be reached by phone at 359-5010.

District Policies

District policies are available in BoardDocs, accessible from the district website at www.rhnet.org/policies. The online database is searchable, allowing visitors to identify key words within board policies.

ATTENDANCE MATTERS

Students thrive when they are in school. They belong in our classrooms – all day, every day. A student is considered chronically absent when they miss school at least 10 percent of the time. That is a minimum of 18 days during the school year. This time adds up fast! A student who is absent twice a month misses more than 1,000 minutes of critical learning time!

Chronic absenteeism is a nationwide problem that worsened after the pandemic. While R-H has made progress in reducing absenteeism, there is still more to be done. We have expanded Social-Emotional Learning efforts and implemented programs to encourage students to feel connected to school.

Challenges with school attendance often are related to anxiety and feeling disconnected. If you have concerns about your child's reluctance to attend school, please contact your child's teacher, counselor, or principal. We will partner with you to help address the situation. In Rush-Henrietta, You Belong Here!

SchoolTool: Online Gradebook

The Rush-Henrietta Central School District uses SchoolTool for its online gradebook. SchoolTool is designed to enhance home-school communication and give parents more timely opportunities to become involved in their child's education. Students in grades K-12 and their parents can log in securely and review schedules, assignments, grades, test results, and attendance information.

Parents and students receive information regarding their accounts in August. At that time, SchoolTool can be accessed by visiting <https://monroeoneric01.schooltool.com/rhcsd>. You can also access the system by visiting the district website and clicking on SchoolTool in the Quick Links menu or by downloading the SchoolTool app to your phone.

If you have questions about your login information, please contact the main office at your child's school.

Best Community for Music Education

Rush-Henrietta has been named one of the nation's Best Communities for Music Education by The NAMM Foundation - for the 16th consecutive year!

This designation is given to districts that demonstrate outstanding achievement in their efforts to provide music access and education to all students. To qualify, Rush-Henrietta met criteria concerning funding, graduation requirements, music class participation, instruction time, facilities, and support for music programs.

Recognition is given based on our continued commitment to music education. It's the 19th year overall that Rush-Henrietta has received this special honor.

We could not do this without the longtime support of our community. Thank You!

Mental Health & Wellness

Rush-Henrietta continues to prioritize mental health, expanding its partnership with the University of Rochester Medical Center's Pediatric Behavioral Health and Wellness team to provide access and support to even more students and families. Site-based clinics have been added at Burger, Roth, Leary, and Winslow, joining those at Crane, Fyle, Sherman, and Vollmer.

Each clinic offers student outpatient mental health services. Reasons for referral for this support may include identified mental health concerns, difficulty functioning in the classroom, concerns about attendance or academic achievement, challenges with peer or adult relationships, and disciplinary issues. The school-based clinics also provide diagnostic assessment, individual and family therapy, and thoughtful consultation services that help parents, teachers, mental health workers, and administrators to better collaborate.

Rush-Henrietta is committed to prioritizing mental health and supporting our strategic-plan goal to increase social-emotional competency among students. As part of this initiative, we implemented the DESSA universal screener to help us better understand and respond to student needs. We also added staff to help support the mental health needs of our students.

To learn more about our efforts to support student mental health, contact Director of Wellness and Equity Joseph Jackson, or your school's mental health staff.

Parent's Right to Know

As a parent of a student in the Rush-Henrietta Central School District, you have the right to know the professional qualifications of the classroom teacher(s) who instruct your child. Federal law allows you to ask certain information about your child's classroom teacher(s), and requires us to give you this information in a timely manner if you ask for it. Specifically, you have the right to ask for the following information about each of your child's classroom teachers:

- Whether the NYS Education Department has licensed or qualified the teacher for the grades and subjects he or she teaches.
- Whether the NYS Education Department has decided that the teacher can teach in a classroom without being licensed or qualified under state regulation because of special circumstances.
- The teacher's college major and whether the teacher has any advanced degrees and, if so, the subject of the degree.
- Whether any paraprofessionals provide service to your child and, if they do, their qualifications.

If you would like to receive this information, please contact the Human Resources department by emailing sspogli@rhnet.org or by calling (585) 359-5042.

Literacy is Essential

Literacy is not limited to English Language Arts classrooms. Strong literacy skills are essential across all subject areas and are a key component of every student's college and career readiness. Proficiency in reading, writing, listening, and speaking enables students to develop a deeper understanding of academic content, communicate and collaborate effectively, and confidently explore their interests.

At Rush-Henrietta, we are committed to providing students at all grade levels with regular, meaningful opportunities to read, write, listen, and speak across all content areas. We recognize that learning to read is a complex, ongoing process. Our classrooms focus on building foundational literacy skills while simultaneously developing the background knowledge necessary for strong reading comprehension.

Families play a vital role in supporting literacy development. You can help by encouraging exploration and curiosity—visit museums, parks, libraries, and historical sites to expand your child's knowledge of the world. Reading together or independently on a regular basis also promotes literacy growth. Be sure to celebrate the progress your child makes as both a reader and a thinker throughout the school year, and continue to keep those skills sharp over the summer.

Access to Student Records

The Board of Education recognizes the legal requirements to maintain the confidentiality of student records. To that end, the district notifies students, parents, and guardians of their rights under the Family Educational Rights and Privacy Act of 1974 (FERPA) with an annual notification in school and district publications, in a letter mailed home to parents/guardians in the fall, and in the packet of information given to each parent/guardian upon registering a child during the school year.

District Policy 5500 (Student Records) and its regulation govern these district practices and clearly outline the rights of parents and students. District policies are available to parents at the office of the district clerk or online at the district website, www.rhnet.org/policies.

Email Communication with Parents

In its effort to facilitate regular communication between parents and schools, the Rush-Henrietta Central School District encourages the use of email by school personnel to contact parents about their students. If you would prefer that teachers or administrators not use email in their communication with you, please contact the main office of your child's school to request a copy of District Exhibit 4714-E.1. This document also may be accessed via the district website, www.rhnet.org/policies, or by going to the Board of Education tab and clicking District Policies. Parents can do a search for Policy 4714 Communication with Parents/Guardians, and then open the policy and print the related file, Communication w/Parents/Guardians Exhibit 4714-E.1 - Parent/Guardian Refusal Letter. Parents should fill out the form and send it to the principal of their child's school.

Directory Information

While most student records and information are not released without parental permission, "directory information," in certain cases, may be. Directory information includes a student's name, parents' name, address, telephone number, date and place of birth, e-mail address, photograph, grade, participation in school activities or sports, weight and height if a member of an athletic team, dates of attendance, degrees and awards received, and most recent previous school attended. It is the practice of the district to release such information to colleges, other post-secondary education institutions, military recruiters, and school-related vendors, e.g., school photographers and yearbook publishers. The release of directory information to the media shall be for the sole purpose of reporting upon or promoting a district activity and shall not include addresses and telephone numbers. If parents do not want the district to release directory information to such groups, they should notify their child's school principal, in writing. A complete explanation of these policies and practices is found in District Policy 5500, its regulation, and exhibits. These are available at the office of the district clerk, or on the district website, www.rhnet.org/policies.

Student Privacy and Parental Rights

The privacy of students and the authority of parents are carefully protected by the district. Parents may inspect, upon request, any instructional material used as part of the educational curriculum for students. Additionally, parental permission will be obtained prior to the administration of any student survey, funded in part or in whole by the U.S. Department of Education, which reveals specific personal information about the child or family. A complete explanation of these rights and protections is found in District Policy 4510 and its regulation. These documents are available to parents at the office of the district clerk or online at the district website, www.rhnet.org/policies.

Student Code of Conduct

The Board of Education is committed to providing a safe, inclusive, equitable, and orderly school environment where students may receive, and district personnel may deliver, quality educational services without disruption. The district is committed to ensuring that each student is safe, engaged, supported, and challenged; helping students develop self-discipline and social and emotional growth; and guiding students in improvement and correction of inappropriate behaviors. Responsible behavior by students, employees, parents/guardians, and visitors is expected, as it is essential to achieving this goal.

The Board recognizes the need to clearly define these expectations for acceptable behavior; identify the appropriate, graduated consequences of unacceptable behavior; and ensure that consequences, when necessary, are administered promptly and fairly. The goal is not to penalize, but to teach students there are reasonable consequences to actions and choices. To this end, the Board adopts a Code of Conduct based upon education laws, regulations, and Board policies. A summary of the Code of Conduct is mailed to homes prior to the start of school. For a complete copy of the Code of Conduct, please go to the district website at www.rhnet.org/codeofconduct.

Attendance and Promotion Policies

Consistent school attendance, academic success, and school completion have a positive correlation, therefore, the Board of Education has established student attendance and promotion guidelines and regulations. District Policy 5100 outlines the attendance policy, which is also explained in the Rush-Henrietta comprehensive attendance policy document. These documents are available on the district website and in the office of student and family services. District Policy 4750 explains processes related to student grade-level promotion and retention. The Board of Education annually reviews and adopts these policies, which are available on the district website, www.rhnet.org/policies.

Emergency Closings

When schools are closed unexpectedly, Rush-Henrietta will attempt to contact the homes of district students using our mass-messaging telephone system. Families also are encouraged to tune to radio and television stations in Rochester. Information regarding closings, delays, or early dismissals also will be posted on the district website, www.rhnet.org. The media is notified about closings by 6 a.m. The Cub Care Program is closed on the days when school is closed due to an emergency. Please do not call the schools or transportation office.

Searches in Schools - Board of Education Policy 5330-R.1 Section 7

The Rush-Henrietta Central School District has reserved control of all student lockers, desks, and other school spaces. Students, accordingly, should have no reasonable expectation of privacy therein as to school officials. Students, parents, and those in parental relationships are advised that such spaces are subject to search by school officials, at any time, without notice.

Committee on Special Education (CSE)

CSE meetings are held throughout the school year when school is in session, with a limited number of meetings held in July and August. Parents are sent confidential notices inviting them to participate as members of their child's CSE meeting. For more information, please call the Office of Special Education at 359-7931.

Herbicide Application Notification

On occasion, the district may need to apply an emergency application of herbicides on school grounds. This is typically done on long weekends when school is not in session. Please go to our website at www.rhnet.org/herbicide for more information and the forms needed to request a 48-hour advance notification.

New Entrants

Parents new to the district should register their children at the district registrar's office as soon as possible. To register, please contact the district registrar at (585) 359-7957. Upon registration, parents will be required to present documentation of district residency, documentation of the child's age, a record of the child's immunizations, a health certificate from a licensed medical professional, and if applicable, a copy of judicial or court-ordered guardianship. Acceptable forms of documentation for residency include mortgage/deed or lease to a house, condominium, or apartment. Acceptable forms of documentation to prove age include a birth certificate or baptismal record. If neither of these is available, other evidence may be considered if it has been in existence for at least two years. The school will make arrangements for the transfer of children's records from their former school after parents sign a release form. School personnel may test children new to the district to determine the best classroom placement and courses for them. For more information and required forms, visit the district website at www.rhnet.org/register.

Kindergarten Registration

Children are eligible to enter kindergarten in September 2026 if they will be 5 years old on or before December 1, 2026. Parents are asked to register their children for 2026-2027 kindergarten classes at the district registration office between January 20 and March 31, 2026.

Early kindergarten registration gives school officials time to plan for the screening and orientation programs for incoming kindergartners and their parents. For questions, or to make an appointment, please contact the district registrar at 359-7957. *Please note, for Universal Pre-Kindergarten (UPK) registration, please call 359-7914.*

Student Health Notes & Sports

Medicine in School

School personnel are not allowed to give either prescription or non-prescription medication to children in school without written authorization from parents and a physician. If parents wish to have their children receive medicine in school, the following requirements must be met each school year:

- A written order from the primary care physician indicating frequency, dosage, duration, and purpose must be given to the school health office.
- Written permission from the parent to give the medicine as prescribed by the primary care physician must be given to the school health office.
- The medicine must be packaged in the original container from the pharmacy.
- Parents are responsible for delivering the medicine to the school health office. Students may not carry or transport medication to/in school unless specifically authorized to do so.
- Medicines should be halved, as needed, so they are ready for dispensing.

School Physicals

New York state law requires parents or guardians to furnish a certificate of physical examination within 30 days of entrance for all new students, and for students in grades kindergarten, 1, 3, 5, 7, 9, and 11, and for those students participating in sports, requiring special education services, or seeking work permits. It is recommended that all examinations be done by your primary care physician for optimal continuity and health care of your child. If you do not have health insurance, or are in need of a physician, confidential assistance is available by contacting your school health office. In rare instances in which a family is unable to obtain private health care, a physical examination may be conducted in the school by the district nurse practitioner.

Dental Health Certificate

We recognize the importance of good oral hygiene for all children and recommend that your child has regular periodic complete dental examinations by a dentist every six months, but at least upon entrance to school and again in grades K, 1, 3, 5, 7, 9, and 11. A dental health certificate is encouraged to be furnished for your child for inclusion in your child's record. Please submit a completed dental certificate to your school health office. Forms are available at www.rhnet.org under Student & Family Services, Health Services, and in the main office or health office of each school.

If you are in doubt about whether or not to send your child to school during or following an illness, please call the school health office for advice. If your child has a persistent cough, rash, fever, bump, or other bothersome symptom, you should contact your child's pediatrician.

Concussion Management

A collaborative approach between the student's physician, school health office, school counselors, academic and physical education teachers and district nurse practitioner is used to transition students who experienced head trauma back into full academics and activity. Concussion management protocols are available on the district website, www.rhnet.org, under Athletics.

School Buildings and Grounds Use

Reserving School Buildings & Grounds

Rush-Henrietta schools, athletic fields, and grounds are available to district-based non-profit groups for meetings and special events under rules established by the NYS Education Department and the Board of Education. All requests for use of school space must be submitted online. A minimum of two weeks notice is required to permit the processing of requests. Visit www.rhnet.org/reserve for information regarding required documentation and a link to submit the request.

Guidelines for Use

School buildings, fields, and grounds are off limits to unauthorized persons from 15 minutes after sunset to 15 minutes after sunrise. When on school grounds:

- All directions from school staff must be followed.
- No improper conduct or creating a public disturbance of any kind.
- Obey speed limits and parking regulations. Park only in designated lots.
- Snowmobiles, motor scooters, motorbikes, dirt bikes, ATVs, model airplanes, and drones are prohibited.
- The possession of alcoholic beverages, marijuana, illegal drugs, firearms, and weapons are always prohibited. Individuals violating the rules will be prosecuted to the fullest extent of the law.
- Tobacco smoking and the use of e-cigarettes are not permitted at any time.
- Unauthorized pets are prohibited on school property during school hours. All pets on school property must be leashed and up-to-date on vaccinations. Clean up after your pet(s) and do not walk pets on or near playgrounds, tennis courts, athletic fields, or buildings.

When not in use by district programs, outdoor facilities - including playgrounds, fields, and tracks - may be available for casual use following the above guidelines. Please note: security cameras are used in and around district buildings and grounds.

Enforcing Parking Regulations on School Property

The district continues to experience a number of illegally parked vehicles in fire lanes and other areas immediately adjacent to and around our schools and other district buildings.

It is mandatory for all vehicles to park in appropriate and designated parking spaces on school property. The only exceptions to this are police and emergency vehicles, school transportation vehicles, school service vehicles, and school events for which special parking arrangements are directed and overseen by district and school security personnel.

In compliance with New York State Uniform Fire Codes, individuals are required to park in appropriately signed parking areas. Violations will be referred to the town code enforcement officials or police officials for issuance of a court appearance ticket.

Thank you for your compliance in this matter, which ensures the safety and security of students, staff, and community groups using district buildings and grounds.

Transportation Procedures

The transportation department strives to promote safe, effective, and efficient transportation services for all Rush-Henrietta students. Listed below are some general guidelines that will aid in this endeavor.

Enhanced Transportation Services

Elementary school students (K-6) who reside more than one tenth (.1) of a mile from school are eligible for district bus transportation services.

Transportation Guidelines

The Board of Education has adopted the following guidelines for students, parents, and bus drivers. These are intended to reduce the length of delay and congestion for the general motoring public.

- Students are expected to be at their assigned bus stop **five minutes prior to their scheduled pick-up time**. Students should wait in a location on a sidewalk or safely away from the edge of the roadway. Students are to be in plain view of the bus driver as the bus approaches the bus stop. The driver will stop and open the door. **If the bus driver does not see the student(s), he/she will immediately continue on the route.**

- It is expected that students make a reasonable effort to quickly board the bus (e.g., no sauntering). If a student repeatedly delays the bus, the bus driver will give the student a warning and notify the transportation office upon return to the garage. If this behavior continues, the bus will no longer wait for the student.

- If a student misses the bus to school, the district shall not alter any bus route to pick up the pupil; it will then be the responsibility of the parent/guardian to provide transportation

to school. The district may pick up the pupil on another bus route provided there is no route alteration necessary (the students may need to travel to another location for pick up).

- If a student misses the bus going home, the student may take the next scheduled bus ("late bus") if available; otherwise, it shall be the responsibility of the parent/ guardian to pick up the pupil. The school will notify the parent/guardian of the student's situation and location.

- For K-3 students, if an adult or responsible sibling is not visible to the driver at drop-off, the child will be transported to the Good Shepherd building, 3288 East Henrietta Road. For students in grades 4-6, parents may request that their child not be dropped off without an adult present, and the same rule will apply. This service will cost \$25 for the first occurrence, \$40 on the second occurrence, and \$50 for the third occurrence. After three occurrences in a school year, you will be required to find adequate child care. Cub Care is an option. This payment is due on arrival and may be paid with cash or credit card. Care at Good Shepherd closes at 5 p.m. and children must be picked up by then.

This information is a summary of Board of Education Policy 8411 and 8411-R. Complete copies of these and all other board policies are available in the district clerk's office and on the district website, www.rhnet.org/policies.

Private, Parochial, and Charter School Transportation

All transportation applications for private, parochial, and charter schools must be received by **April 1**. Applications for transportation received after the April 1 deadline will be subject to existing bus routes and capacity limitations. Requests must be renewed each year by April 1. Transportation is provided pursuant to New York State law.

Annual Request for Transportation to Babysitter or Childcare

In accordance with Board of Education Policy 8411 and Regulation 8411-R, parents or guardians of students living in the Rush-Henrietta Central School District who wish to have their child/children picked up or discharged at a childcare location must file a written request on the appropriate form annually by **April 1**. This request is to be filed at the school in which the child/children attend. **The request must be renewed each subsequent year by April 1.**

Please note, state law prohibits school districts from transporting students between home and a day care, Students can only be transported between school and home, or school and a day care.

Parents/guardians must have a consistent, five-day-a-week schedule for their child's bussing, with a maximum of two pick-up and two drop-off points during the week. For example, a child may go to day care Monday, Wednesday, and Friday and home the other two days. This form must be completed and submitted to the school office before service can be provided.

Applications for transportation received after April 1 for day care providers outside of the student's home school attendance area will be subject to existing bus routes and bus capacity limitations.

Student Bus Stop Change Requests

Bus schedules will be printed on or before August 20. Any requests for changes to a bus stop received after August 20 may not be processed until the Monday following the first day of school. For the remainder of the school year, requests for changes to a bus stop must be submitted, in writing, to the student's school no later than the Wednesday prior to the week of the requested change.

Parent Involvement

When parents attend school-related programs and activities on a regular basis, children experience greater success. The first step toward involvement in our schools is to participate in parent groups. Each school building has a parent group dedicated to information sharing, volunteer opportunities, comments, questions and answers, and presentations regarding their child's education. Contact the building principal to learn more about the school's parent group. In addition, there are several districtwide opportunities for parent involvement. To learn about the different ways to become involved in your child's education, please review the following committees. We look forward to your participation. You Belong Here!

Budget Advisory Council (BAC)

The Budget Advisory Council serves as a vital forum for a diverse group of Rush-Henrietta Central School District stakeholders, including parents, teachers, students, administrators, and community members, to collaboratively assist the superintendent in developing a budget that reflects the district's values. Meeting approximately four times annually, this council provides recommendations on budget proposals, ways to increase stakeholder involvement, and methods to improve budget communication, ultimately aiming to enhance the overall budget development process through cooperative effort and shared assessment. If you are interested in serving on this committee, please contact Assistant Superintendent for Finance and Operations Anthony Montoro at 585-359-5037.

District Parent Advisory Council (DPAC)

The District Parent Advisory Council serves as a crucial link between parents and the Rush-Henrietta Central School District. Its primary purpose is to provide an advisory voice for parents, fostering two-way communication and sharing information among the superintendent, Board of Education, and building-level parent groups. This collaborative effort ensures that family voice is heard and understood, strengthening the partnership between families and the school district. Meeting information is included on the monthly calendar, and you may contact dpac-chair@rhnet.org with questions.

Multicultural Parent Advisory Council (MPAC)

The Multicultural Parent Advisory Council is focused on empowering all families to advocate for students, promote high academic achievement, and provide cultural, social, and leadership enrichment opportunities. By communicating and collaborating with other parent groups, MPAC strives to ensure families are actively involved in their children's education and that diverse student needs are recognized and addressed. Meeting dates are included on the monthly calendar, and you may contact Parent Liaison William Hall at williamsmhall@gmail.com or District Liaison Joe Jackson at jjackson@rhnet.org for further information.

Equity & Inclusion Advisory Council

This committee brings together a diverse range of district and community stakeholders to collaborate on ways to promote equity, diversity, and inclusion in all areas throughout the district. R-H FAME: Rush-Henrietta Friends of Arts & Music Education

Formerly the Rush-Henrietta Music Parents Association (RHMPA), this advocacy group was recently reimagined to broaden its reach to include all R-H arts programs, including music, art, theater, and dance. Another goal for the new committee is to expand the support base for a broader organization by getting more families, students, alumni, and community members involved. Watch for information about how to get involved this school year.

R-H Sports Booster Club

The R-H Sports Booster Club is dedicated to supporting the Rush-Henrietta athletic program primarily through fundraising efforts, managed by an elected board including a president, vice president, treasurer, secretary, and vice president of membership. The club raises funds through various activities, special events, and membership fees from adults 18 and over, with each sports team having a representative to relay needs and progress. All funds raised are administered by the booster club to directly benefit the district's athletic programs. Meeting information is included on the monthly calendar pages. You may contact rhboosterclub@gmail.com with questions or to get involved.

Special Education Parent Group

The parent group, run by the Office of Special Education, serves as a vital resource for parents of special education students in Rush-Henrietta. Its purpose is to share information regarding the comprehensive services and programs available, answer questions, and review the programs and services designed to meet the diverse and individual needs of students requiring special education. This collaboration supports the Office of Special Education's commitment to providing a full continuum of services that empower every student to reach their fullest potential. Meeting information is shared on the monthly calendar pages, and you may contact Director of Special Education Rosalie Sullivan at rosullivan@rhnet.org with any questions.

Stay Involved in Your Child's Education

Staying involved in your child's education can be a daunting task in today's busy world, but it doesn't have to be if you make the most of technology! Rush-Henrietta's Office of Community Relations offers the following tips on how to get the latest school and district news this year.

Remind

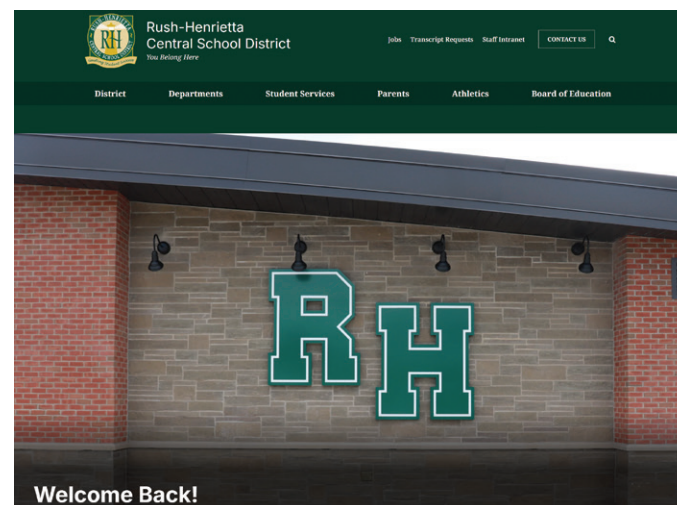

Rush-Henrietta uses Remind as the districtwide classroom communication tool. Remind makes it easy to stay involved with your child's school experience. The district subscribes to the service; there is no cost to the users. It allows participating teachers, coaches, and club advisors to send messages and updates directly to your phone or electronic device. The safety of our students and employees is important to us, as is protecting the private personal data of our students, parents, and employees. When students and employees communicate electronically with one another, this should only be done using district email, Google Classroom, or Remind.

E-News and Calls

Rush-Henrietta communicates information to families quickly and effectively through email and phone calls. This system allows us to send important district information, like calls regarding snow days, important reminders, or other vital information, to more than one contact per student. Also, there is no need to sign up for E-News! Parents with email addresses on record in SchoolTool will automatically receive the E-News updates from their child's principal! These tools allow you to stay up-to-speed on all key information coming from your child's school and the district. Please be sure to provide updated phone and email contacts on your child's blue card. If these change during the school year, please notify the main office of your child's school.

Website

Located at www.rhnet.org, the district website is a wealth of information! You can find districtwide and school-specific information, breakfast and lunch menus, calendars, a staff directory, and more. News items are posted to the district and school pages regularly. In the event of an emergency or adverse weather conditions, an alert will be posted on the main page to keep you informed. To make the site as accessible to as many Rush-Henrietta residents as possible, a click of the Translate button in the upper right corner allows the visitor to view the website in their preferred language. *And stay tuned for a NEW website being introduced in August with greater mobile functionality and a streamlined interface!*

Social Media

Have you visited the Rush-Henrietta Central School District's official social media pages? While the Facebook account has been active since 2014, the district now also has official accounts on Instagram and X. The district's social media pages may also be found by clicking on the appropriate links on the district website at www.rhnet.org. Thank you for checking them out throughout the year! We encourage you to give us a like or follow us on your preferred channels to view posts and see important and inspiring news from your child's school and district!

Free School Meals for Grades K-12!

Thanks to the federal Community Eligibility Provision, ALL students in grades K-12 may again receive free meals for the 2025-26 school year. All students are eligible for free breakfast and lunch each school day, regardless of need. Snacks are not included, but are available for purchase.

Should I Still Submit an Income-Based Form?

Yes! Although the application is no longer required, if you meet income eligibility guidelines, you are encouraged to still submit a form. Not only is much of the state aid our district receives based on the percent of students with these forms on file, but there are direct benefits to you:

- A form must be on file in order to qualify for fee waivers for AP exams, college applications, instrument rental, etc.
- The Summer EBT benefit was provided to families with these forms on file. Without a form on file, any future benefits may be impacted.

Students who would normally qualify for free and reduced price meals will need to complete a new form. Download the form at www.rhnet.org/mealapplication. It will take 10 days to process and approve once it is received in our office. Last year's application will expire on October 3, 2025. We do not accept faxed forms.

You may submit your completed form to:

**Rush-Henrietta Central School District
Food Service Office
1133 Lehigh Station Road
Henrietta, NY 14467**

Our convenient prepayment option allows you to prepay for snacks by giving the cashier cash or a check (\$5 minimum), or by paying with Visa or MasterCard - credit or debit - by calling 866-727-3053 or by visiting www.mypaymentsplus.com. MyPaymentsPlus charges a transaction fee for prepayments of less than \$100 per family.
