# Introducing Our New Superintendent, Mr. Bo Wright

This year, for the first time in nearly two decades, the Rush-Henrietta Central School District has a new superintendent. My colleagues on the Board of Education and I are pleased to announce that Mr. Lawrence Bo Wright took on this important leadership role in July. We are delighted to welcome him to the Rush-Henrietta family and can't wait for you to meet him.

Bo comes to Rush-Henrietta from the Rochester City School District, where he served as deputy superintendent of administration. Before joining the city schools, Bo served from 2013 to 2017 as superintendent of the Solvay Union Free School District in Solvay, N.Y.

His impressive educational background also includes serving from 2010 to 2013 as the assistant superintendent of curriculum and instruction for the Geneva City School District in Geneva, N.Y. His additional experience includes serving as principal of Public School 396 in Bronx, N.Y., from 2005 to 2010; as principal intern at the NYC Leadership Academy, Public School 121, in Bronx, N.Y., from 2004 to 2005; and as a sixth grade teacher at Lyons Elementary School in Lyons, N.Y., from 1999 to 2004.

Bo is excited and honored to be named Rush-Henrietta's new superintendent. He looks forward to working collaboratively with the Board of Education and with each of us who play a role in making our school district a great place to learn and work. We are confident that he will serve our school community with distinction, integrity, and strong leadership.

Bo has been working hard this summer to learn more about our community, staff, and students. Preparations for the new school year are

well underway. On behalf of the entire Rush-Henrietta Board of Education, we look forward to welcoming your child back to school on Tuesday, September 4!

Sincerely,

Robert L. Cook  
President, Board of Education

The school district is governed by a seven-member Board of Education elected by eligible voters of the district. Members are volunteer public officials who serve, without pay, for three-year terms. As elected representatives of district residents and as officers of the state of New York, board members must carry out duties required by the state Legislature, the Board of Regents, and the state Commissioner of Education. The board establishes policies for the operation of the district and the superintendent of schools carries out these policies.

Board meeting dates are indicated on the monthly calendar pages and on page 3 or by accessing the online calendar on the district website, [www.rhnet.org](http://www.rhnet.org). Meetings begin at 7 p.m. and are held in the Dee Strickland Conference Room at the Parker Administration Building, 2034 Lehigh Station Road, unless

otherwise noted. The board transacts business only at scheduled meetings. Special meetings may be called at the discretion of the board president. District residents are invited to participate at a designated time in all regular board meetings.

Letters to and questions about the Board of Education can be addressed to Karen Flanigan, district clerk, at 2034 Lehigh Station Road, Henrietta, NY 14467. She also can be reached by phone at 359-5010.

### **Policy Manual**

The *District Policy Manual* is available on the district website, [www.rhnet.org](http://www.rhnet.org). The online database is searchable, allowing visitors to identify key words within board policies.

The annual Rush-Henrietta Make a Difference Day Community Food Drive is a proud district tradition! Last year, Mr. Kenyon's fourth grade class at Sherman Elementary collected 21 boxes of nonperishable food and other items, and kids at the Senior High School collected 2,000 items! As a district, we collected approximately 220 boxes of donations!

This year, the food drive runs from Monday, October 22 to Friday, October 26. If you would like to contribute, please bring your donations to any one of our nine schools to benefit the Rush-Henrietta Area Food Terminal.

## SchoolTool: Online Gradebook

The Rush-Henrietta Central School District uses SchoolTool for its online gradebook. SchoolTool is designed to enhance home-school communication and give parents more timely opportunities to become involved in their child's education. Students in grades K-12 and their parents can log in securely and review schedules, assignments, grades, test results, and attendance information.

Parents and students will receive information regarding their accounts in August. At that time, SchoolTool can be accessed by visiting <https://schooltool.rhnet.org/schooltool/>. You can also access the system by visiting the district website and clicking on SchoolTool in the Quick Links menu.

If you have questions about your login information after the mailing goes out in August, please contact the main office at your child's school.

## Access to Student Records

The Board of Education recognizes the legal requirements to maintain the confidentiality of student records. To that end, the district notifies students, parents, and guardians of their rights under the Family Educational Rights and Privacy Act of 1974 (FERPA) with an annual notification in The Post, in school and district publications, in a letter mailed home to parents/guardians in the fall, and in the packet of information given to each parent/guardian upon registering a child during the school year.

District Policy 5500 (Student Records) and its regulation govern these district practices and clearly outline the rights of parents and students. District policies are available to parents at the office of the district clerk or online at the district website, [www.rhnet.org](http://www.rhnet.org).

## E-mail Communication with Parents

In its effort to facilitate regular communication between parents and schools, the Rush-Henrietta Central School District encourages the use of e-mail by school personnel to contact parents about their students. If you would prefer that teachers or administrators not use e-mail in their communication with you, please contact the main office of your child's school to request a copy of District Exhibit 4714-E.1. This document also may be accessed via the district website, [www.rhnet.org](http://www.rhnet.org), by going to the Board of Education tab and clicking District Policies. Parents can do a search for Policy 4714 (E-mail Communication with Parents/Guardians), and then open the policy and print the related file, E-mail Communication w/Parents/Guardians Exhibit 4714-E.1 - Parent/Guardian Refusal Letter. Parents should fill out the form and send it to the principal of their child's school.

## Directory Information

While most student records and information are not released without parental permission, "directory information," in certain cases, may be. Directory information includes a student's name, parents' name, address, telephone number, date and place of birth, e-mail address, photograph, grade, participation in school activities or sports, weight and height if a member of an athletic team, dates of attendance, degrees and awards received, and most recent previous school attended. It is the practice of the district to release such information to colleges, other post-secondary education institutions, military recruiters, and school-related vendors, e.g., school photographers and yearbook publishers. The release of directory information to the media shall be for the sole purpose of reporting upon or promoting a district activity and shall not include addresses and telephone numbers. If parents do not want the district to release directory information to such groups, they should complete and send Exhibit 5500-E.1, or send a letter to their child's school principal, stating so. A complete explanation of these policies and practices is found in District Policy 5500, its regulation, and exhibits. These are available at the office of the district clerk, or on the district website, [www.rhnet.org](http://www.rhnet.org).

## Student Privacy and Parental Rights

The privacy of students and the authority of parents are carefully protected by the district. Parents may inspect, upon request, any instructional material used as part of the educational curriculum for students. Additionally, parental permission will be obtained prior to the administration of any student survey, funded in part or in whole by the U.S. Department of Education, which reveals specific personal information about the child or his or her family. A complete explanation of these rights and protections is found in District Policy 4510 and its regulation. These documents are available to parents at the office of the district clerk or online at the district website, [www.rhnet.org](http://www.rhnet.org).

## Student Code of Conduct

The Rush-Henrietta Central School District Board of Education is committed to providing a safe and orderly school environment where students may receive—and district personnel may deliver—quality educational services without disruption or interference. Responsible behavior by students, teachers, and district personnel, parents, and other visitors is essential to achieving this goal.

The Board recognizes the need to clearly define these expectations for acceptable conduct on school property; to identify the possible consequences of unacceptable conduct; and to ensure that discipline, when necessary, is administered promptly, fairly, and consistently.

Each year the Board reviews and adopts the district Code of Conduct for the maintenance of order on school property and at school functions. The code clearly identifies expectations for student conduct and explains the disciplinary procedures used for enforcement. A summary of the Code of Conduct is mailed to homes annually prior to the start of school. For a complete copy of the district Code of Conduct, please go to the district website at [www.rhnet.org/codeofconduct](http://www.rhnet.org/codeofconduct).

## Attendance Policy

Regular school attendance is essential for the academic success of our students. Recognizing this, the Board of Education has established student attendance guidelines and regulations. These are explained in District Policy 5100 and in the Rush-Henrietta comprehensive attendance policy document. Copies of both documents are available on the R-H district website, [www.rhnet.org](http://www.rhnet.org), and in the office of student and family services. The Board of Education annually reviews pupil attendance records and, if necessary, revises the district's attendance policies.

## Emergency Closings

When schools are closed unexpectedly, Rush-Henrietta will attempt to contact the homes of district students using SchoolMessenger, our mass-messaging telephone system. Families also are encouraged to tune to radio and television stations in Rochester. Information regarding closings, delays, or early dismissals also will be posted on the district website, [www.rhnet.org](http://www.rhnet.org). The media is notified about closings by 6 a.m. The Cub Care Program is closed on the days when school is closed due to weather. Please do not call the schools or transportation office.

## Searches in Schools - Board of Education Policy 5330-R.1 Section 7

The Rush-Henrietta Central School District has reserved control of all student lockers, desks, and other school spaces. Students, accordingly, should have no reasonable expectation of privacy therein as to school officials. Students, parents, and those in parental relationships are advised that such spaces are subject to search by school officials, at any time, without notice.

## Committee on Special Education (CSE)

CSE meetings are held throughout the school year when school is in session, with a limited number of meetings held in July and August. Parents are sent confidential notices inviting them to participate as members of their child's CSE meeting. For more information, please call the Office of Special Education at 359-7931.

## New Entrants

Parents new to the district should register their children at the district registrar's office as soon as possible. To register, please schedule an appointment with Mrs. Laurise Beckelhymer, district registrar. She can be reached by phone at (585) 359-7957 or via e-mail at [lbeckelhymer@rhnet.org](mailto:lbeckelhymer@rhnet.org). Upon registration parents will be required to present documentation of district residency, documentation of the child's age, a record of the child's immunizations, a health certificate from a licensed medical professional, and if applicable, judiciary paperwork. Acceptable forms of documentation for residency include mortgage/deed or lease to a house, condominium, or apartment. Acceptable forms of documentation to prove age include a birth certificate or baptismal record. If neither of these is available, other evidence may be considered if it has been in existence for at least two years. The school will make arrangements for the transfer of children's records from their former school after parents sign a release form. School personnel may test children new to the district to determine the best classroom placement and courses for them. For more information, visit the district website at [www.rhnet.org/register](http://www.rhnet.org/register).

## Kindergarten Registration

Children are eligible to enter kindergarten in September 2019 if they will be 5 years old on or before December 1, 2019. Parents are asked to register their children for 2019-2020 kindergarten classes at the district registration office in January, February, and March 2019.

Early kindergarten registration gives school officials time to plan for the screening and orientation programs for incoming kindergartners and their parents. If registering a child after March 31, please contact the registrar as soon as possible. For questions, or to make an appointment, please contact Laurise Beckelhymer at 359-7957, or via e-mail at [lbeckelhymer@rhnet.org](mailto:lbeckelhymer@rhnet.org). Please note, for Universal Pre-Kindergarten (UPK) registration, please call, 359-7914.

Pursuant to Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, the Dignity for All Students Act, and such other federal or state statutes and regulations as may pertain, the Rush-Henrietta Central School District does not discriminate on the basis of race, color, national origin, sex, or disability with respect to the educational opportunities it offers, including vocational educational opportunities, nor with respect to the appointment of its employees, employment pay and benefits, counseling services for students, access by students to educational programs, course offerings, textbooks, and student activities. Specifically, but without limitation, it is the policy of the Rush-Henrietta Central School District to assure that no person shall be denied employment solely on the basis of any physical, mental, or medical impairment which is unrelated to the person's ability to engage in the activities involved in the job for which application has been made. Moreover, the Rush-Henrietta Central School District will not tolerate actions by its employees or students which constitute sexual and/or disability harassment.

Persons having questions, or wishing to file a complaint, with respect to an alleged violation of such district policies against discrimination or harassment, other than disability-related claims, should contact Dr. Patrick McCue, at 359-5044, in the Department of Human Resources.

Persons having questions, or wishing to file a complaint, with respect to an alleged violation of such district policies against discrimination or harassment on account of a disability, should contact the district's designated Section 504 coordinator, Jessica Bailey, at 359-7933.

Any such persons may also make inquiry directly to the United States Department of Education, office for civil rights.

## Medicine in School

School personnel are not allowed to give either prescription or non-prescription medication to children in school without written authorization from parents and physician. If parents wish to have their children receive medicine in school, the following requirements must be met each school year:

- A written order from the primary care physician indicating frequency, dosage, duration, and purpose must be given to the school nurse-teacher.
- Written permission from the parent to give the medicine as prescribed by the primary care physician must be given to the school nurse-teacher.
- The medicine must be packaged in the original container from the pharmacy.
- Parents are responsible for delivering the medicine to the school nurse-teacher. Students may not carry or transport medication to/in school unless specifically authorized to do so.
- Medicines should be halved, as needed, so they are ready for dispensing.

Parents of children who require special attention for medical reasons should discuss this with the school nurse-teacher.

## School Physicals

New York State law requires parents or guardians to furnish a certificate of physical examination within 30 days of entrance for all new students, and for students in grades kindergarten, 1, 3, 5, 7, 9, and 11, and for those students participating in sports, requiring special education services, or seeking work permits. It is recommended that all examinations be done by your primary care physician for optimal continuity and health care of your child. If you do not have health insurance, or are in need of a physician, confidential assistance is available by contacting your SNT. In rare instances in which a family is unable to obtain private health care, a physical examination may be conducted in the school by the district nurse practitioner for students whose parents give written consent. Parents have the right to be in attendance at any screening health appraisal performed in school by the district nurse practitioner.

## Dental Health Certificate

We recognize the importance of good oral hygiene for all children and recommend that your child has regular periodic complete dental examinations by a dentist every six months, but at least upon entrance to school and again in grades, K, 1, 3, 5, 7, 9, and 11. A dental health certificate needs to be furnished for your child for inclusion in your child's record. Please submit a completed dental certificate to your school nurse-teacher. Forms are available at [www.rhnet.org](http://www.rhnet.org) under Student & Family Services, Health Services, and in the main office or health office of each school.

## Sports Physicals

Sports physicals are required yearly for each athlete. It is recommended that these exams be completed by your primary care physician. An exam is valid for one year through the month given (e.g. April 1, 2018, exams are good through April 30, 2019). In rare instances in which a family is unable to obtain private health care, the students need to sign up in the health office well in advance of the start of their sport season for an exam with the nurse practitioner. Written consent from the parent is required. A completed and signed Interval Health History Form for each sport is requested and available on the district website on the Sports Clearance page.

## Too Sick for School?

A student should stay home from school if he or she:

- has a fever of 100° F or more.
- had a fever above 100° F in the last 24 hours.
- has vomited in the last 24 hours.
- has had diarrhea in the last 24 hours.
- has a runny nose that requires a great deal of management time.
- has a persistent cough that interferes with concentration.
- is too tired to engage in usual activities.
- has a significantly decreased appetite.
- has one or both eyes that are red, watery, or draining.
- has been on medication for an infection for fewer than 24 hours.
- has severe headache, especially when accompanied by fever.
- has severe sore throat accompanied by fever, malaise and/or red spots in the mouth.
- has a rash that is in various stages.
- has a rash that is pale, irregular in-between the webs of the fingers.

Generally, after the above listed symptoms disappear, students require an additional 24 hours to recover. If you are in doubt about whether or not to send your child to school during or following an illness, please call the school nurse-teacher for advice. If your child has a persistent cough, rash, fever, bump, or other bothersome symptom, you should contact your child's pediatrician.

## Concussion Management

A collaborative approach between the student's physician, school nurse-teacher, school counselors, academic and physical education teachers and district nurse practitioner is used to transition students who experienced head trauma back into full academics and activity. Concussion management protocols are available on the district website, [www.rhnet.org](http://www.rhnet.org), under Athletics.

4:30-8:30 PM • Senior High School

## School Buildings

Rush-Henrietta schools are available to community groups for meetings and special events under rules established by the NYS Education Department and the Board of Education. Applications for use of school space are available at each school and online at [www.rhnet.org](http://www.rhnet.org). Completed forms need to be returned to the principal of the school you wish to use. A minimum of two weeks notice is required to permit the scheduling of requests.

## Athletic Fields

School athletic fields are in great demand. The district works with the Rush and Henrietta recreation commissions, the Rush-Henrietta Athletic Association, and other community sports groups to schedule equitable use of fields. During the summer, town recreation commissions use school fields/facilities for playground programs and for town-sponsored recreational sports leagues.

Community members are invited to walk/run the outdoor track at the high school when it is not being used by athletic or instructional programs. The hours, weather permitting, are sunrise to dusk.

## Guidelines for Use

School buildings and grounds are off limits to unauthorized persons from 15 minutes after sunset to 15 minutes after sunrise. When on school grounds:

- No loitering.
- Obey speed limits and parking regulations.
- Park your car only in designated lots.
- Snowmobiles, motor scooters, motorbikes, model airplanes, and drones are prohibited.
- The possession of alcoholic beverages, illegal drugs, firearms, and weapons are always prohibited. Individuals violating the rules will be prosecuted to the full extent of the law.
- Tobacco smoking is not permitted at any time.
- The use of e-cigarettes is not permitted at any time.

## Enforcing Parking Regulations on School Property

The district continues to experience a number of illegally parked vehicles in fire lanes and other areas immediately adjacent to and around our schools and other district buildings.

It is mandatory for all vehicles to park in appropriate and designated parking spaces on school property. The only exceptions to this are police and emergency vehicles, school transportation vehicles, school service vehicles, and school events for which special parking arrangements are directed and overseen by district and school security personnel.

In compliance with New York State Uniform Fire Codes, individuals are required to park in appropriately signed parking areas. Violations will be referred to the town code enforcement officials or police officials for issuance of a court appearance ticket.

Thank you for your compliance in this matter, which ensures the safety and security of students, staff, and community groups using district buildings and grounds.

Care is available for 3, 4, or 5 days a week and is provided at the school the child attends. This care is available on all days when school is in session and follows the district calendar. The program is open from 6:30 a.m. until school starts, and again from the end of the school day until 6 p.m.
- Non-School Day Care/Summer Care is held at Good Shepherd School, 3288 East Henrietta Road. Non-school day care is available for all pre-school through sixth grade students residing in the Rush-Henrietta school district, even if they do not attend an R-H school. Care is available on conference days, some holidays, and during the summer from 6:30 a.m. to 6 p.m.
- As Needed Care is available for any Rush-Henrietta school district student who is registered with the Cub Care Zone and has completed the enrollment process. This "family insurance plan" allows you to call and have your child sent to before or after care as needed.
- Even Start is a quality multi-cultural program offering developmentally appropriate curriculum and a family literacy preschool experience for children three to five years old. There is a morning and an afternoon session available. In addition, the program is open to children eight weeks to three years old who have a parent in the Rush-Henrietta Adult Literacy Program.
- UPK Extended Care is available to all pre-school students who attend UPK at the Rush-Henrietta school district program located at Good Shepherd School, 3318 E. Henrietta Road. Before and after care is provided for students enrolled in the morning or afternoon UPK classes at this location. Care is available from 6:30 a.m. to 6 p.m.

## Transportation Procedures

The transportation department strives to promote safe, effective, and efficient transportation services for all Rush-Henrietta students. Listed below are some general guidelines that will aid in this endeavor.

### Enhanced Transportation Services

Elementary school students (K-6) who reside more than one tenth (.1) of a mile from school are eligible for district bus transportation services.

### Transportation Guidelines

The Board of Education has adopted the following guidelines for students, parents, and bus drivers. These are intended to reduce the length of delay and congestion for the general motoring public.

- Students are expected to be at their assigned bus stops five minutes before the scheduled stopping time. Students should wait in a location on a sidewalk or at least 15 feet from the edge of the roadway. Students are to be in plain view of the bus driver as the bus approaches the bus stop. If the bus driver does not see the student(s), he/she will slow down approaching the stop and look for the student. **After stopping, if students are NOT visible, the bus shall NOT wait.**
- It is expected that all students make a reasonable effort to quickly board the bus. If the bus driver believes students purposely delay boarding the bus, he/she shall give the student(s) a warning and notify the transportation office upon return to the bus garage. **If this behavior continues, the bus shall NOT wait for the student(s).**
- If a student misses the bus to school, the district shall not alter any bus route to pick up the pupil; it will then be the responsibility of the parent/guardian to provide transportation to school. The district may pick up the pupil on another bus route provided

there is no route alteration necessary (the students may need to travel to another location for pick up).

- If a student misses the bus going home, the student may take the next scheduled bus ("late bus") if available; otherwise, it shall be the responsibility of the parent/guardian to pick up the pupil. The school will notify the parent/guardian of the student's situation and location.
- In the event that an adult is not home at drop-off, or a child cannot make his or her way inside the house, the child will be transported to our Cub Care Zone after-school program at the Good Shepherd site, 3288 East Henrietta Road. This service will cost \$20 each time it is used, plus an initial, one-time registration fee for "as-needed" care of \$20. This payment is due on arrival and may be paid with cash or credit card. The program closes at 6 p.m. each weekday.
- Generally speaking, bus stops will be located no closer than approximately two tenths (.2) of a mile from each other.

This information is a summary of Board of Education Policy 8411 and 8411-R. Complete copies of these and all other board policies are available in the district clerk's office and on the district website, [www.rhnet.org](http://www.rhnet.org).

## Annual Request for Transportation to Babysitter or Childcare

In accordance with Board of Education Policy 8411 and Regulation 8411-R, parents or guardians of students living in the Rush-Henrietta Central School District who wish to have their child/children picked up or discharged at a childcare location must file a written request on the appropriate form annually by **April 1**. This request is to be filed at the school in which the child/children attend. **The request must be renewed each subsequent year by April 1.**

Please note, state law prohibits school districts from transporting students between home and a daycare, so there will be no transportation to or from the Cub Care Program. Students can only be transported between school and home, or school and a daycare.

Parents/guardians must have a consistent, five-day-a-week schedule for their child's bussing, with a maximum of two pick-up and two drop-off points during the week. For example, a child may go to daycare Monday, Wednesday, and Friday and home the other two days. This form must be completed and submitted to the school office before service can be provided.

Applications for transportation received after April 1 for day care providers outside of the student's home school attendance area will be subject to existing bus routes and bus capacity limitations.

### Student Bus Stop Change Requests

Bus schedules will be printed on or before August 15. Any requests for changes to a bus stop received after August 23 will not be processed until the Monday following the first day of school. For the remainder of the school year, requests for changes to a bus stop must be submitted, in writing, to the student's school no later than the Wednesday prior to the week of the requested change.

## Private, Parochial, and Charter School Transportation

All transportation applications for private, parochial, and charter schools must be received by April 1. Applications for transportation received after the April 1 deadline will be subject to existing bus routes and capacity limitations. Requests must be renewed each year by April 1. Transportation is provided pursuant to New York State law.

Staying involved in your child's education can be a daunting task in today's busy world, but it doesn't have to be if you make the most of modern technology! Rush-Henrietta's Office of Community Relations offers the following tips on how to get the latest school and district news this year.

## Visit the New District Website

Rush-Henrietta has a new district website! The website, which still is located at [www.rhnet.org](http://www.rhnet.org), continues to provide the resources you have grown accustomed to finding online, but in a more user-friendly format. These resources include a customizable calendar to keep track of school and district events and a new staff directory, among other upgrades. We also have installed a PDF viewer, which allows visitors to view documents right on their screen without downloading and opening a file. The new website also offers a modern appearance and allows us to share a vast amount of information on the main page. When you visit [www.rhnet.org](http://www.rhnet.org), make sure to scroll down to see more! The site also displays appropriately - some might say beautifully! - on mobile devices, making finding information on the go easier than ever. For this reason, we discontinued the district mobile app. Please remember, in the event of emergency or adverse weather conditions, the district website will be used to communicate this information. To make the site accessible to as many Rush-Henrietta residents as possible, simply click the Translate button in the upper right-hand corner.

## Subscribe to E-News

To receive important announcements and news from the district and its schools, parents are encouraged to visit [www.rhnet.org](http://www.rhnet.org) and subscribe with their e-mail address to a wide variety of E-News lists. The superintendent and building principals each maintain their own list. Parents subscribing to this free service receive brief e-mail notifications and reminders about important activities, issues, meetings, and topics, along with the links to additional information.

## Follow Us on Facebook and YouTube

[facebook.com/rhschools](https://facebook.com/rhschools)

[www.rhnet.org/youtube](http://www.rhnet.org/youtube)

The Rush-Henrietta Central School District launched its official Facebook page in 2014. This popular feature can be found by visiting [www.facebook.com/rhschools](https://facebook.com/rhschools). More than 3,700 people have liked the page and we encourage you to do the same! Please note that you do not need a Facebook account to view posts and see important and inspiring news from your child's school and district! In addition, Rush-Henrietta has established its own YouTube channel. As new Parent Education Videos are created, they will be added to our channel, which can be found at [www.rhnet.org/youtube](http://www.rhnet.org/youtube). Both the district's Facebook and YouTube pages also are accessible by clicking on the appropriate links on the district website at [www.rhnet.org](http://www.rhnet.org). Thank you for checking them out throughout the year.

## Use SchoolMessenger for Mass Notifications

Remember those phone calls you received from the school district during Windstorm 2017 that announced that school was closed? Those calls were made to the home of every student using a rapid-notification system that delivers thousands of messages in minutes. Our system allows the district to record, schedule, and send personalized voice messages to families. We also can use this tool to reach a smaller, more targeted number of families when necessary. To make this communication as efficient as possible, please enter the specific contact information you would like used with this system on your student's blue card at the beginning of the school year. Throughout the year, make sure to update all home, work, and cell phone numbers with your child's school as soon as changes occur.

## Rush-Henrietta Again Recognized as High Performing Reward School!

The New York State Education Department has recognized Rush-Henrietta Senior High School as a High Performing Reward School for a second consecutive year!

This prestigious honor acknowledges outstanding student achievement and the significant progress we have made in closing gaps in student achievement among different groups of students. This recognition is given on a very selective basis. There are more than 4,800 individual schools in New York, and less than 75 from Upstate New York were chosen for this honor. Staff members at the Senior High School have done a terrific job helping students achieve at higher levels. At the same time, we know this could not have been achieved without the district-wide contributions of those who teach in our other excellent schools, as well as each member of our support staff.

This is the second major recognition that our school district has received during the past year. As part of USA Today Network's New York State School Quality Index, the *Democrat and Chronicle* unveiled a list of best public school districts in Monroe County. This new index took into account "non-academic factors that parents say they value, but can be hard to measure." We like to refer to this as a measure of school climate. The rankings were based on data regarding class sizes, diversity, suspension rate, attendance rate, and teacher experience, among other factors. Rush-Henrietta ranked as the No. 1 school district in all of Monroe County!

We thank the entire community for its continued support!
