# Superintendent's Message

Dear Rush-Henrietta Families,

Seventy-five years ago, an important debate was taking place throughout our community. The topic at hand centered on whether our community would continue to operate dozens of small, individual schools, or instead would combine forces to create a centralized system committed to teaching all children.

The answer would shape the future of how local students are forever educated. Fortunately, in November 1946, residents from

Rush and Henrietta voted to create the Rush-Henrietta Central School District, a decision that made it possible to afford an equitable education to all students from both communities.

Since its inception, Rush-Henrietta has been a leader in many ways, constantly adapting to the changing needs of students and their families. Everyone in our school community should be thankful for the foresight of those who came before us, and for the many wise decisions made by the district and its residents since that time. We have much to be proud of and for which to be thankful.

So much has changed in Rush-Henrietta since its founding in 1946. For example, did you know there were more students living in Rush than in Henrietta at the time the district was formed? It seems hard to believe now, but it's true. Those were different times, to be sure, but that vote 75 years ago led to the start of something special - a school district that remains devoted to all.

We are proud of our history and how the district has grown throughout the years. Some are fond of saying that our school district is "the smallest big town you'll ever see." During my time here, it's obvious this is true. Roots run deep in this community and interesting connections to days gone by are easy to find and even easier to appreciate.

One constant amidst change is our commitment to serving all students. Seventy-five years ago, our community pledged to help all children by providing them with the best possible education. In 2021, that important commitment remains.

This year, Rush-Henrietta celebrates 75 years of educational excellence. We will do that in part via the district website ([www.rhnet.org](http://www.rhnet.org).) and Facebook page ([www.facebook.com/rhschools](http://www.facebook.com/rhschools)). More information will be shared in the near future. We hope you will join us in celebrating where we have been, where we are, and where we are headed. Thank you for your continued support!

Sincerely,

Lawrence Bo Wright  
Superintendent

The school district is governed by a seven-member Board of Education elected by eligible voters of the district. Members are volunteer public officials who serve, without pay, for three-year terms. As elected representatives of district residents and as officers of the state of New York, board members must carry out duties required by the state Legislature, the Board of Regents, and the state Commissioner of Education. The board establishes policies for the operation of the district and the superintendent of schools carries out these policies.

Board meeting dates are indicated on the monthly calendar pages and on page 3 or by accessing the online calendar on the district website, [www.rhnet.org](http://www.rhnet.org). Meetings begin at 7 p.m. and are held in the Dee Strickland Conference Room at the Parker Administration Building, 2034 Lehigh Station Road, unless otherwise noted. The board transacts business only at scheduled meetings. Special meetings may be called at

the discretion of the board president. District residents are invited to participate at a designated time in all regular board meetings. All board meeting information is available in BoardDocs, located under the Board of Education tab on the district website, [www.rhnet.org](http://www.rhnet.org).

Letters to and questions about the Board of Education can be addressed to Karen Flanigan, school district clerk, at 2034 Lehigh Station Road, Henrietta, NY 14467. She also can be reached by phone at 359-5010.

### District Policies

District policies are available in BoardDocs, accessible from the district website at [www.rhnet.org/policies](http://www.rhnet.org/policies). The online database is searchable, allowing visitors to identify key words within board policies.

This year, the vote will be held Tuesday, May 17, 2022, at the Transportation and Operations Center, 1133 Lehigh Station Road.

A person shall be entitled to vote in any district election for the selection of members of the Board of Education and in all other matters which may be brought before the voters and placed upon the official ballot, if such person is a citizen of the United States, at least 18 years of age, a resident within the school district for a period of 30 days prior to the election, and qualified to register or is registered to vote in accordance with section 5-106 of the Election Law. ## Rush-Henrietta School Meal Program

### Free Meals!

The federal government has extended the free meal program through the 2021 - 2022 school year. All students are eligible for free breakfast and lunch each school day, regardless of need.

### Should I Still Submit a Free and Reduced Price Meal Application?

Yes! If you meet eligibility guidelines, you are encouraged to still submit an application. Not only is much of the aid our district receives from New York state based on the percent of students with applications on file, but there are direct benefits to you:

- An application must be on file in order to qualify for fee waivers for AP exams and college applications.
- The federal P-EBT Food benefit cards provided to families during the pandemic were based on applications such as these. If a current application is not on file, any future benefits may be impacted.
- If free meals are not extended into the 2022-2023 school year, having an application on file for this year will allow students to be eligible for free meals for the first 30 operational days of the next school year.

**Submit your application to:**  
Rush-Henrietta Central School District  
Food Service Office  
1133 Lehigh Station Road

## Sports Clearance

Rush-Henrietta offers the convenience of online registration for sports clearance through FamilyID. You may access this portal through our website at [www.rhnet.org/familyid](http://www.rhnet.org/familyid).

FamilyID is a secure registration platform that provides an easy, user-friendly way to register for our sports programs. When you register through FamilyID, the system keeps track of your information in an online profile. You enter information only once for each family member; the information you initially enter is available for use with multiple programs.

You may begin to create your FamilyID profile at any time. Completing the FamilyID profile prior to registering your child for each season will help expedite the sign-up process.

Required forms can be uploaded using the online system during the clearance process starting 30 days prior to the start of the season. You will be able to upload current physical forms and medical orders, and complete the sports questionnaire form during this clearance process. Please be sure to have this information ready in electronic form to complete your child's file.

## SchoolTool: Online Gradebook

The Rush-Henrietta Central School District uses SchoolTool for its online gradebook. SchoolTool is designed to enhance home-school communication and give parents more timely opportunities to become involved in their child's education. Students in grades K-12 and their parents can log in securely and review schedules, assignments, grades, test results, and attendance information.

Parents and students will receive information regarding their accounts in August. At that time, SchoolTool can be accessed by visiting <https://schooltool.rhnet.org/schooltool/>. You can also access the system by visiting the district website and clicking on SchoolTool in the Quick Links menu or by downloading the SchoolTool app to your phone.

If you have questions about your login information after the mailing goes out in August, please contact the main office at your child's school.

## Celebrating Our 75th Anniversary

As we celebrate the 75th Anniversary of the Rush-Henrietta Central School District, we are seeking memorabilia. We would love to get copies of old photos, newspaper clippings, school newsletters, and more to show what life was like for students throughout our district's history.

We also love to hear stories about significant events in our district and teachers, staff, or administrators who made an impact. Physical items, such as trophies, varsity letters, pins, and graduation programs are also welcome. We do have many past yearbooks, although we are missing a few years so please let us know if you have an old one you can share!

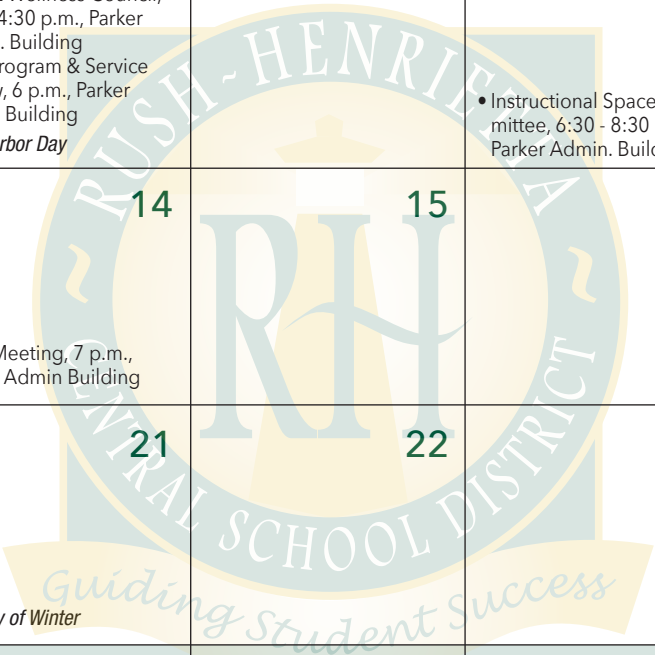

If you have anything you think we might want to showcase during the celebration, please contact the Office of Community Relations by emailing either Travis Anderson ([tanderson@rhnet.org](mailto:tanderson@rhnet.org)) or Heather Campo ([hcampo@rhnet.org](mailto:hcampo@rhnet.org)). Thank you - we look forward to celebrating our district's history with you!

All meetings and events are subject to change based on COVID-19 conditions.

## Kicking Hunger School Food Pantry

The Rush-Henrietta Kicking Hunger School Food Pantry is a joint effort between the school district and many community partners, and is located in the Good Shepherd building, 3288 East Henrietta Road. In addition to carrying food and personal care items, the pantry also has school supplies and "birthday bags" to help celebrate those special days. The pantry is open from 9:45 to 11:15 a.m. Tuesdays, and from 4:30 to 6 p.m. Thursdays. For more information, please visit [rhnet.org/foodpantry](http://rhnet.org/foodpantry) or call 359-7979. You can also email [foodpantry@rhnet.org](mailto:foodpantry@rhnet.org).

Our heartfelt thanks go out to all of those who have been working tirelessly to bring this to fruition, including the Rush-Henrietta teachers and staff who several years ago identified the need for this type of support for some of our families. This is another example of how our district is addressing one of its main priorities, which is to help ensure equity throughout our school community.

## Equity & Inclusion

Our community consists of people from all corners of the globe, representing an array of cultures, backgrounds, and beliefs. Recognizing the many kinds of diversity that exist within our community, we are committed to strengthening connections with students and their families. We know it is our obligation to make our teaching practices reflective of the many different kinds of people who call Rush-Henrietta home. As we do that, we must ensure that our programs, curriculum, and learning environments are culturally responsive and safeguard equity and inclusion.

That's why we are proud to have a district priority focusing exclusively on Equity and Inclusion. This priority isn't simply words written on paper. It provides guiding principles that we strive to put into action every day. We consider Equity and Inclusion to be the district's umbrella priority. If the district gets this one right and does it well, additional priorities will be easier to achieve.

As part of the Rush-Henrietta community - and, indeed, the world community - having greater empathy and compassion for others is a worthwhile goal. Coming from a place of understanding leads to greater connection and greater outcomes for all.

All meetings and events are subject to change based on COVID-19 conditions.

## Project Lead the Way Distinguished School

For the second consecutive year, Rush-Henrietta Senior High School has been recognized as a Project Lead The Way Distinguished School!

This award celebrates outstanding implementation of the PLTW Biomedical Sciences and Engineering Programs in grades 9-12. PLTW is a nonprofit organization that serves millions of students and teachers in more than 12,200 schools across the U.S.

The PLTW Distinguished School recognition honors schools committed to increasing student access, engagement, and achievement in their PLTW programs.

Through PLTW programs, students develop STEM knowledge as well as in-demand, transportable skills that they may use both in school and for the rest of their lives, on any career path. Students who successfully meet the final grade and End-of-Course assessment criteria are eligible to receive college credit for these courses at participating colleges across the U.S.

All meetings and events are subject to change based on COVID-19 conditions.

## Safety First

As part of ongoing efforts to make our schools as safe as possible for students, the Rush-Henrietta Central School District holds safety drills several times throughout the year.

These drills are designed to assess how well we would respond during an emergency. Staff and students participate in evacuation drills, lockout drills, lockdown drills, and medical emergency/hold-in-place drills. The Henrietta Fire District brings the safety trailer to our K-3 schools for mock-home evacuation practice with the students. In addition, each school conducts an AED/CPR drill to ensure that all staff members trained in the use of the automated external defibrillator are prepared to act as needed.

Rush-Henrietta works closely with the Henrietta Fire District and the Monroe County Sheriff's Office to practice and refine its safety and emergency response practices. These activities will help us be as prepared as possible in the event of an actual emergency.

## Access to Student Records

The Board of Education recognizes the legal requirements to maintain the confidentiality of student records. To that end, the district notifies students, parents, and guardians of their rights under the Family Educational Rights and Privacy Act of 1974 (FERPA) with an annual notification in school and district publications, in a letter mailed home to parents/guardians in the fall, and in the packet of information given to each parent/guardian upon registering a child during the school year.

District Policy 5500 (Student Records) and its regulation govern these district practices and clearly outline the rights of parents and students. District policies are available to parents at the office of the district clerk or online at the district website, [www.rhnet.org/policies](http://www.rhnet.org/policies).

## Email Communication with Parents

In its effort to facilitate regular communication between parents and schools, the Rush-Henrietta Central School District encourages the use of email by school personnel to contact parents about their students. If you would prefer that teachers or administrators not use email in their communication with you, please contact the main office of your child's school to request a copy of District Exhibit 4714-E.1. This document also may be accessed via the district website, [www.rhnet.org/policies](http://www.rhnet.org/policies), or by going to the Board of Education tab and clicking District Policies. Parents can do a search for Policy 4714 Communication with Parents/Guardians, and then open the policy and print the related file, Communication w/Parents/Guardians Exhibit 4714-E.1 - Parent/Guardian Refusal Letter. Parents should fill out the form and send it to the principal of their child's school.

## Directory Information

While most student records and information are not released without parental permission, "directory information," in certain cases, may be. Directory information includes a student's name, parents' name, address, telephone number, date and place of birth, e-mail address, photograph, grade, participation in school activities or sports, weight and height if a member of an athletic team, dates of attendance, degrees and awards received, and most recent previous school attended. It is the practice of the district to release such information to colleges, other post-secondary education institutions, military recruiters, and school-related vendors, e.g., school photographers and yearbook publishers. The release of directory information to the media shall be for the sole purpose of reporting upon or promoting a district activity and shall not include addresses and telephone numbers. If parents do not want the district to release directory information to such groups, they should notify their child's school principal, in writing. A complete explanation of these policies and practices is found in District Policy 5500, its regulation, and exhibits. These are available at the office of the district clerk, or on the district website, [www.rhnet.org/policies](http://www.rhnet.org/policies).

## Student Privacy and Parental Rights

The privacy of students and the authority of parents are carefully protected by the district. Parents may inspect, upon request, any instructional material used as part of the educational curriculum for students. Additionally, parental permission will be obtained prior to the administration of any student survey, funded in part or in whole by the U.S. Department of Education, which reveals specific personal information about the child or his or her family. A complete explanation of these rights and protections is found in District Policy 4510 and its regulation. These documents are available to parents at the office of the district clerk or online at the district website, [www.rhnet.org/policies](http://www.rhnet.org/policies).

## Student Code of Conduct

The Board of Education is committed to providing a safe, inclusive, equitable, and orderly school environment where students may receive, and district personnel may deliver, quality educational services without disruption. The district is committed to ensuring that each student is safe, engaged, supported, and challenged; helping students develop self-discipline and social and emotional growth; and guiding students in improvement and correction of inappropriate behaviors. Responsible behavior by students, employees, parents/guardians, and visitors is expected, as it is essential to achieving this goal.

The Board recognizes the need to clearly define these expectations for acceptable behavior; identify the appropriate, graduated consequences of unacceptable behavior; and ensure that consequences, when necessary, are administered promptly and fairly. The goal is not to penalize, but to teach students there are reasonable consequences to actions and choices. To this end, the Board adopts a Code of Conduct based upon education laws, regulations, and Board policies. A summary of the Code of Conduct is mailed to homes prior to the start of school. For a complete copy of the Code of Conduct, please go to the district website at [www.rhnet.org/codeofconduct](http://www.rhnet.org/codeofconduct).

## Attendance and Promotion Policies

Consistent school attendance, academic success, and school completion have a positive correlation, therefore, the Board of Education has established student attendance and promotion guidelines and regulations. District Policy 5100 outlines the attendance policy, which is also explained in the Rush-Henrietta comprehensive attendance policy document. These documents are available on the district website and in the office of student and family services. District Policy 4750 explains processes related to student grade-level promotion and retention. The Board of Education annually reviews and adopts these policies, which are available on the district website, [www.rhnet.org/policies](http://www.rhnet.org/policies).

## Emergency Closings

When schools are closed unexpectedly, Rush-Henrietta will attempt to contact the homes of district students using Blackboard, our mass-messaging telephone system. Families also are encouraged to tune to radio and television stations in Rochester. Information regarding closings, delays, or early dismissals also will be posted on the district website, [www.rhnet.org](http://www.rhnet.org). The media is notified about closings by 6 a.m. The Cub Care Program is closed on the days when school is closed due to weather. Please do not call the schools or transportation office.

## Searches in Schools - Board of Education Policy 5330-R.1 Section 7

The Rush-Henrietta Central School District has reserved control of all student lockers, desks, and other school spaces. Students, accordingly, should have no reasonable expectation of privacy therein as to school officials. Students, parents, and those in parental relationships are advised that such spaces are subject to search by school officials, at any time, without notice.

## Committee on Special Education (CSE)

CSE meetings are held throughout the school year when school is in session, with a limited number of meetings held in July and August. Parents are sent confidential notices inviting them to participate as members of their child's CSE meeting. For more information, please call the Office of Special Education at 359-7931.

## Herbicide Application Notification

On occasion, the district may need to apply an emergency application of herbicides on school grounds. This is typically done on long weekends when school is not in session. Please go to our website at [www.rhnet.org/herbicide](http://www.rhnet.org/herbicide) for more information and the forms needed to request a 48-hour advance notification.

## New Entrants

Parents new to the district should register their children at the district registrar's office as soon as possible. To register, please contact the district registrar at (585) 359-7957. Upon registration parents will be required to present documentation of district residency, documentation of the child's age, a record of the child's immunizations, a health certificate from a licensed medical professional, and if applicable, judiciary paperwork. Acceptable forms of documentation for residency include mortgage/deed or lease to a house, condominium, or apartment. Acceptable forms of documentation to prove age include a birth certificate or baptismal record. If neither of these is available, other evidence may be considered if it has been in existence for at least two years. The school will make arrangements for the transfer of children's records from their former school after parents sign a release form. School personnel may test children new to the district to determine the best classroom placement and courses for them. For more information, visit the district website at [www.rhnet.org/register](http://www.rhnet.org/register).

## Kindergarten Registration

Children are eligible to enter kindergarten in September 2022 if they will be 5 years old on or before December 1, 2022. Parents are asked to register their children for 2022-2023 kindergarten classes at the district registration office in January, February, and March 2022.

Early kindergarten registration gives school officials time to plan for the screening and orientation programs for incoming kindergartners and their parents. If registering a child after March 31, please contact the registrar as soon as possible. For questions, or to make an appointment, please contact the district registrar at 359-7957. *Please note, for Universal Pre-Kindergarten (UPK) registration, please call 359-7914.*

## Notice of Equal Educational and Employment Opportunities

Pursuant to Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, the Dignity for All Students Act, and such other federal or state statutes and regulations as may pertain, the Rush-Henrietta Central School District does not discriminate on the basis of race, color, national origin, sex, or disability with respect to the educational opportunities it offers, including vocational educational opportunities, nor with respect to the appointment of its employees, employment pay and benefits, counseling services for students, access by students to educational programs, course offerings, textbooks, and student activities. Specifically, but without limitation, it is the policy of the Rush-Henrietta Central School District to assure that no person shall be denied employment solely on the basis of any physical, mental, or medical impairment which is unrelated to the person's ability to engage in the activities involved in the job for which application has been made. Moreover, the Rush-Henrietta Central School District will not tolerate actions by its employees or students which constitute sexual and/or disability harassment.

Persons having questions, or wishing to file a complaint, with respect to an alleged violation of such district policies against discrimination or harassment, other than disability-related claims, should contact Dr. Patrick McCue, at 359-5044, in the Office of Human Resources.

Persons having questions, or wishing to file a complaint, with respect to an alleged violation of such district policies against discrimination or harassment on account of a disability, should contact the district's designated Section 504 coordinator at 359-7933.

Any such persons may also make inquiry directly to the United States Department of Education, office for civil rights.

## Medicine in School

School personnel are not allowed to give either prescription or non-prescription medication to children in school without written authorization from parents and a physician. If parents wish to have their children receive medicine in school, the following requirements must be met each school year:

- A written order from the primary care physician indicating frequency, dosage, duration, and purpose must be given to the school nurse-teacher.
- Written permission from the parent to give the medicine as prescribed by the primary care physician must be given to the school nurse-teacher.
- The medicine must be packaged in the original container from the pharmacy.
- Parents are responsible for delivering the medicine to the school nurse-teacher. Students may not carry or transport medication to/in school unless specifically authorized to do so.
- Medicines should be halved, as needed, so they are ready for dispensing.

Parents of children who require special attention for medical reasons should discuss this with the school nurse-teacher.

## School Physicals

New York State law requires parents or guardians to furnish a certificate of physical examination within 30 days of entrance for all new students, and for students in grades kindergarten, 1, 3, 5, 7, 9, and 11, and for those students participating in sports, requiring special education services, or seeking work permits. It is recommended that all examinations be done by your primary care physician for optimal continuity and health care of your child. If you do not have health insurance, or are in need of a physician, confidential assistance is available by contacting your school nurse-teacher. In rare instances in which a family is unable to obtain private health care, a physical examination may be conducted in the school by the district nurse practitioner.

## Dental Health Certificate

We recognize the importance of good oral hygiene for all children and recommend that your child has regular periodic complete dental examinations by a dentist every six months, but at least upon entrance to school and again in grades K, 1, 3, 5, 7, 9, and 11. A dental health certificate is encouraged to be furnished for your child for inclusion in your child's record. Please submit a completed dental certificate to your school nurse-teacher. Forms are available at [www.rhnet.org](http://www.rhnet.org) under Student & Family Services, Health Services, and in the main office or health office of each school.

## Too Sick for School?

A student should stay home from school if he or she:

- has a fever of 100° F or more.
- had a fever above 100° F in the last 24 hours.
- has vomited in the last 24 hours.
- has had diarrhea in the last 24 hours.
- has a runny nose that requires a great deal of management time.
- has a persistent cough that interferes with concentration.
- is too tired to engage in usual activities.
- has a significantly decreased appetite.
- has one or both eyes that are red, watery, or draining.
- has been on medication for an infection for fewer than 24 hours.
- has severe headache, especially when accompanied by fever.
- has severe sore throat accompanied by fever, malaise and/or red spots in the mouth.
- has a rash that is in various stages.
- has a rash that is pale, irregular in-between the webs of the fingers.

Generally, after the above listed symptoms disappear, students require an additional 24-72 hours to recover. If you are in doubt about whether or not to send your child to school during or following an illness, please call the school nurse-teacher for advice. If your child has a persistent cough, rash, fever, bump, or other bothersome symptom, you should contact your child's pediatrician. For up-to-date guidelines related to COVID-19, please visit our website.

## Concussion Management

A collaborative approach between the student's physician, school nurse-teacher, school counselors, academic and physical education teachers and district nurse practitioner is used to transition students who experienced head trauma back into full academics and activity. Concussion management protocols are available on the district website, [www.rhnet.org](http://www.rhnet.org), under Athletics.

## Sports Physicals

Sports physicals are required yearly for each athlete. It is recommended that these exams be completed by your primary care physician. An exam is valid for one year through the month given (e.g. April 1, 2021, exams are good through April 30, 2022). You may complete sports clearance online starting 30 days prior to the start of each season by visiting [www.rhnet.org/familyid](http://www.rhnet.org/familyid).

## School Buildings

Rush-Henrietta schools are available to community groups for meetings and special events under rules established by the NYS Education Department and the Board of Education. Applications for use of school space are available at each school and online at [www.rhnet.org](http://www.rhnet.org). Completed forms need to be returned to the principal of the school you wish to use. A minimum of two weeks notice is required to permit the scheduling of requests.

## Athletic Fields

School athletic fields are in great demand. The district works with the Rush and Henrietta recreation commissions, the Rush-Henrietta Athletic Association, and other community sports groups to schedule equitable use of fields. During the summer, town recreation commissions use school fields/facilities for playground programs and for town-sponsored recreational sports leagues.

Community members are invited to walk/run the outdoor track at the high school when it is not being used by athletic or instructional programs. The hours, weather permitting, are sunrise to dusk.

## Guidelines for Use

School buildings and grounds are off limits to unauthorized persons from 15 minutes after sunset to 15 minutes after sunrise. When on school grounds:

- No loitering.
- Obey speed limits and parking regulations.
- Park your car only in designated lots.
- Snowmobiles, motor scooters, motorbikes, dirt bikes, ATVs, model airplanes, and drones are prohibited.
- The possession of alcoholic beverages, marijuana, illegal drugs, firearms, and weapons are always prohibited. Individuals violating the rules will be prosecuted to the full extent of the law.
- Tobacco smoking is not permitted at any time.
- The use of e-cigarettes is not permitted at any time.

## Enforcing Parking Regulations on School Property

The district continues to experience a number of illegally parked vehicles in fire lanes and other areas immediately adjacent to and around our schools and other district buildings.

It is mandatory for all vehicles to park in appropriate and designated parking spaces on school property. The only exceptions to this are police and emergency vehicles, school transportation vehicles, school service vehicles, and school events for which special parking arrangements are directed and overseen by district and school security personnel.

In compliance with New York State Uniform Fire Codes, individuals are required to park in appropriately signed parking areas. Violations will be referred to the town code enforcement officials or police officials for issuance of a court appearance ticket.

Thank you for your compliance in this matter, which ensures the safety and security of students, staff, and community groups using district buildings and grounds.

The Cub Care Zone is a fee-based childcare program for Rush-Henrietta students in grades K-6.

### What is Available in the Zone?

#### • Before- and after-school care:

The Cub Care Zone, or C2Z for short, provides fee-based care for children in grades Pre-K-6 at the Rush-Henrietta building the child attends. Children can attend in the morning, the afternoon, or both. Children must be registered for a minimum of three days per week. Care will be provided on all school days. The program is open 6:30 a.m. until school starts, and again from the end of the school day until 6 p.m.

#### • Non-school day care, including summer care:

When school is not in session, all-day care will be provided, for an additional cost, from 6:30 a.m. to 6 p.m. at the Good Shepherd building, 3288 East Henrietta Road. Visit the district website for the list of dates when non-school day care is provided. There will be no care available for districtwide emergency closings.

#### • As-needed care:

For your convenience, care will be available before and after school for occasional, unexpected personal needs. To be eligible for this fee-based, as-needed program, you must register for the Cub Care Zone and submit the enrollment forms prior to your child attending.

#### • Even Start:

Even Start is a quality multi-cultural program offering developmentally appropriate curriculum and a family literacy preschool experience for children ages 3 to 5.

For more information on the Rush-Henrietta Cub Care Zone programs, or to register your child, go to [www.rhnet.org/c2z](http://www.rhnet.org/c2z) or call 359-7911.

## Transportation Procedures

The transportation department strives to promote safe, effective, and efficient transportation services for all Rush-Henrietta students. Listed below are some general guidelines that will aid in this endeavor.

### Enhanced Transportation Services

Elementary school students (K-6) who reside more than one tenth (.1) of a mile from school are eligible for district bus transportation services.

### Transportation Guidelines

The Board of Education has adopted the following guidelines for students, parents, and bus drivers. These are intended to reduce the length of delay and congestion for the general motoring public.

- Students are expected to be at their assigned bus stop **five minutes prior to their scheduled pick-up time**. Students should wait in a location on a sidewalk or safely away from the edge of the roadway. Students are to be in plain view of the bus driver as the bus approaches the bus stop. The driver will stop and open the door. **If the bus driver does not see the student(s), he/she will immediately continue on the route.**
- It is expected that students make a reasonable effort to quickly board the bus (e.g., no sauntering). If a student repeatedly delays the bus, the bus driver will give the student a warning and notify the transportation office upon return to the garage. If this behavior continues, the bus will no longer wait for the student.
- If a student misses the bus to school, the district shall not alter any bus route to pick up the pupil; it will then be the responsibility of the parent/guardian to provide transportation to school. The district may pick up the pupil on another bus route provided there is no route alteration necessary (the students may need to travel to another location for pick up).

- If a student misses the bus going home, the student may take the next scheduled bus ("late bus") if available; otherwise, it shall be the responsibility of the parent/guardian to pick up the pupil. The school will notify the parent/guardian of the student's situation and location.
- For K-3 students, if an adult or responsible sibling is not visible to the driver at drop-off, the child will be transported to our Cub Care Zone after-school program at the Good Shepherd site, 3288 East Henrietta Road. For students in grades 4-6, parents may request that their child not be dropped off without an adult present, and the same rule will apply. This service will cost \$22 each time it is used, plus an initial, one-time registration fee for "as-needed" care of \$25. This payment is due on arrival and may be paid with cash or credit card. The program closes at 6 p.m. each weekday.

This information is a summary of Board of Education Policy 8411 and 8411-R. Complete copies of these and all other board policies are available in the district clerk's office and on the district website, [www.rhnet.org/policies](http://www.rhnet.org/policies).

## Annual Request for Transportation to Babysitter or Childcare

In accordance with Board of Education Policy 8411 and Regulation 8411-R, parents or guardians of students living in the Rush-Henrietta Central School District who wish to have their child/children picked up or discharged at a childcare location must file a written request on the appropriate form annually by **April 1**. This request is to be filed at the school in which the child/children attend. **The request must be renewed each subsequent year by April 1.**

Please note, state law prohibits school districts from transporting students between home and a day care. Students can only be transported between school and home, or school and a day care.

Parents/guardians must have a consistent, five-day-a-week schedule for their child's bussing, with a maximum of two pick-up and two drop-off points during the week. For example, a child may go to day care Monday, Wednesday, and Friday and home the other two days. This form must be completed and submitted to the school office before service can be provided.

Applications for transportation received after April 1 for day care providers outside of the student's home school attendance area will be subject to existing bus routes and bus capacity limitations.

### Student Bus Stop Change Requests

Bus schedules will be printed on or before August 20. Any requests for changes to a bus stop received after August 20 will not be processed until the Monday following the first day of school. For the remainder of the school year, requests for changes to a bus stop must be submitted, in writing, to the student's school no later than the Wednesday prior to the week of the requested change.

## Private, Parochial, and Charter School Transportation

All transportation applications for private, parochial, and charter schools must be received by **April 1**. Applications for transportation received after the April 1 deadline will be subject to existing bus routes and capacity limitations. Requests must be renewed each year by April 1. Transportation is provided pursuant to New York State law.

Staying involved in your child's education can be a daunting task in today's busy world, but it doesn't have to be if you make the most of modern technology! Rush-Henrietta's Office of Community Relations offers the following tips on how to get the latest school and district news this year.

## Enjoy the E-News/ Phone Notification System

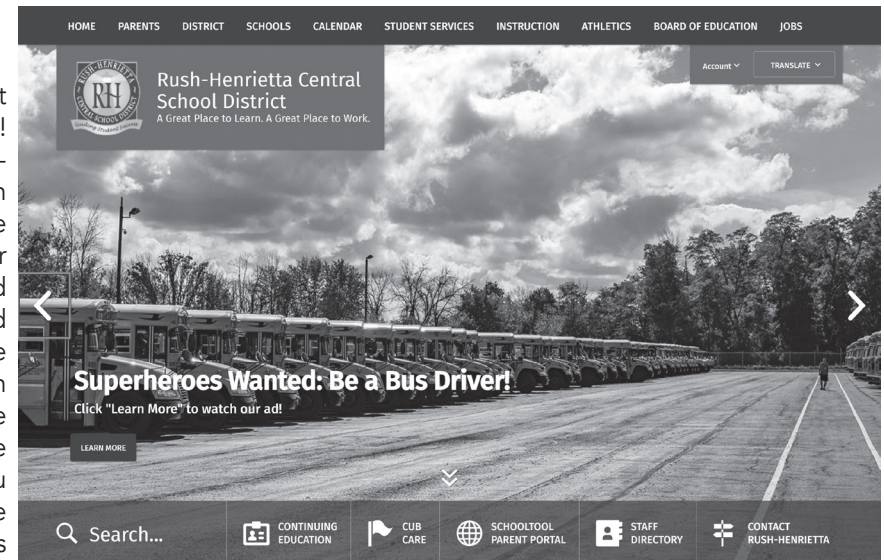

Rush-Henrietta uses Blackboard to get information to families quickly and effectively. This system allows us to call more than one parent or guardian per student. This means that calls regarding snow days, important reminders, or other vital information can be delivered to more than one contact per student. Also, there is no need to sign-up for E-News! Parents with email addresses on record in SchoolTool will automatically receive the E-News updates from their child's principal! Now you can be sure that you are staying up-to-speed on all key information coming from your child's school and the district. Please provide updated phone and email contacts on your child's blue card. If these change during the school year, please notify the main office of your child's school.

## Participate in ThoughtExchange

We have an interactive tool to help us gather input from the community on important topics. Called ThoughtExchange, this online forum allows participants to anonymously share their thoughts on a subject and react to thoughts shared by others. This method of gathering community input on key questions helps inform the district of the broader community's feelings and ideas, so that they may be taken into consideration. Watch for notification regarding ThoughtExchange opportunities throughout the school year and make your voice heard!

## Visit the District Website

Located at [www.rhnet.org](http://www.rhnet.org), the district website is a wealth of information! You can find district-wide and school-specific information, breakfast and lunch menus, a staff directory, and more. The online calendar provides information for district events, and can be customized to fit your preferences for school-based events. News items are posted to the district and school pages regularly. In the event of an emergency or adverse weather conditions, an alert will be posted on the main page to keep you informed. To make the site as accessible to as many Rush-Henrietta residents as possible, a click of the Translate button in the upper right corner allows the visitor to view the website in their preferred language.

## Follow Us on Facebook and YouTube

Have you visited the Rush-Henrietta Central School District official Facebook page? Launched in 2014, this popular feature can be found by visiting [www.facebook.com/rhschools](http://www.facebook.com/rhschools). More than 6,300 people follow the page so far, and we encourage you to do the same! Please note that you do not need a Facebook account to view posts and see important and inspiring news from your child's school and district!

In addition, Rush-Henrietta has its own YouTube channel. You can find it at [www.rhnet.org/youtube](http://www.rhnet.org/youtube), and peruse the many parent education videos, recordings of special events, a message from the superintendent, and more! Both the district's Facebook and YouTube pages are also accessible by clicking on the appropriate links on the district website at [www.rhnet.org](http://www.rhnet.org). Thank you for checking them out throughout the year!

## Rush-Henrietta Recognized for Excellence

Great work takes place every day in Rush-Henrietta, and we have received multiple awards that recognize district achievements!

### Senior High School Ranked Among Nation's Best

For the third consecutive year, Rush-Henrietta Senior High School ranks among the top 10 percent of public high schools nationwide according to the *U.S. News and World Report* annual Best High Schools in America poll for 2021! For the rankings, schools nationwide are given a score out of 100. This year, the Senior High School scored 91.1 out of 100. Scores are based on six weighted indicators: College Readiness, College Curriculum Breadth, Math and Reading Proficiency, Math and Reading Performance, Underserved Student Performance, and Graduation Rate.

### R-H Named One of Best Communities for Music Education

Rush-Henrietta was again named one of the nation's Best Communities for Music Education by The NAMM Foundation based on our steadfast commitment to music education. This is the 12th consecutive year and 16th time overall R-H has received this prestigious honor! This designation is awarded to districts that demonstrate outstanding achievement in efforts to provide music access and education to all students.

### Senior High School Honored as PLTW Distinguished School

For the second consecutive year, Rush-Henrietta Senior High School has been recognized as a Project Lead

The Way Distinguished School! This award celebrates outstanding implementation of the PLTW Biomedical Sciences and Engineering Programs in grades 9-12. Through these programs, students develop STEM knowledge as well as in-demand, transportable skills they may use in school and for the rest of their lives, on any career path. The PLTW Distinguished School recognition honors schools committed to increasing student access, engagement, and achievement in their PLTW programs.

Each recognition affirms Rush-Henrietta's longstanding commitment to a rigorous curriculum, advanced academic opportunities, and equity for all students. Our school community should be exceptionally proud of what we have accomplished together!
