Superintendent's Message

During my first year as superintendent of the Rush-Henrietta Central School District, it didn't take me long to realize why Rush-Henrietta is a special place. I'd like to share a few reasons.

The people are supportive, and they work together to make this district a great place to learn for all children. I am amazed each day at how this district welcomes more than 5,300 students - speaking 37 languages and hailing from 40 countries - each morning and helps them achieve their goals.

I am pleased to see this good work recognized on the local, state, and national levels.

Of course, we were rated the No. 1 school district in Monroe County by the USA Today Network. Rush-Henrietta also was named as one of the Best Communities for Music Education in the nation by the National Association of Music Merchants. This is our 10th year receiving this award. We could not do it without your support!

In addition, our high school continues to earn rave reviews. This past spring, the New York State Education Department designated Rush-Henrietta Senior High School as a Recognition School. There are more than 4,800 individual schools in New York, but less than 12 percent were selected for this honor.

At the same time, our high school was ranked in the top 10 percent of high schools in the United States by U.S. News and World Report. These recognitions are a testament to the good work being done in our schools at every level. The good results are difficult to ignore.

Our new school configuration is helping to support these positive results, and our instructional programs are working well. For example, I was pleased to see that the performance by third graders on the ELA and math state assessments was strong.

In addition, our district is providing crucial support for technology and project-based learning, especially in the form of our capstone projects. We are preparing students for the challenges they will face in the future, far beyond the walls of the classroom.

Here in Rush-Henrietta, we remain committed to finding new, innovative ways to bolster communication with our community. We recently introduced ThoughtExchange, a tool that allows us to gather feedback from you, and allows others to rate your thoughts to give us an idea of what is important to the community. Please watch for these opportunities this year.

I am excited about the new school year, and look forward to continuing to work together toward common goals!

Sincerely,

Lawrence Bo Wright
Superintendent

The school district is governed by a seven-member Board of Education elected by eligible voters of the district. Members are volunteer public officials who serve, without pay, for three-year terms. As elected representatives of district residents and as officers of the state of New York, board members must carry out duties required by the state Legislature, the Board of Regents, and the state Commissioner of Education. The board establishes policies for the operation of the district and the superintendent of schools carries out these policies.

Board meeting dates are indicated on the monthly calendar pages and on page 3 or by accessing the online calendar on the district website, www.rhnet.org. Meetings begin at 7 p.m. and are held in the Dee Strickland Conference Room at the Parker Administration Building, 2034 Lehigh Station Road, unless otherwise noted. The board transacts business only at scheduled meetings. Special meetings may be called at

the discretion of the board president. District residents are invited to participate at a designated time in all regular board meetings. All board meeting information is available in BoardDocs, located under the Board of Education tab on the district website, www.rhnet.org.

Letters to and questions about the Board of Education can be addressed to Karen Flanigan, school district clerk, at 2034 Lehigh Station Road, Henrietta, NY 14467. She also can be reached by phone at 359-5010.

Policy Manual

The *District Policy Manual* is available on the district website, www.rhnet.org/policies. The online database is searchable, allowing visitors to identify key words within board policies.

Voter Information

Budget Vote and Board Elections
Tuesday, May 19, 2020

Each May, eligible voters have the opportunity to vote on the school budget proposed by the Board of Education. In the weeks before the vote, residents will receive the budget newsletter, providing relevant voting information. Election of members to the Board of Education is held in conjunction with the annual vote on the school district budget. Members are volunteers elected at-large for three-year terms. This year, the vote will be held Tuesday, May 19, 2020, at the Transportation and Operations Center, 1133 Lehigh Station Road.

A person shall be entitled to vote in any district election for the selection of members of the Board of Education and in all other matters which may be brought before the voters and placed upon the official ballot, if such person is a citizen of the United States, at least 18 years of age, a resident within the school district for a period of 30 days prior to the election and qualified to register or is registered to vote in accordance with section 5-106 of the Election Law. You do not have to own property in the district. Challenges to voters believed unqualified to vote may be undertaken pursuant to Education Law provisions and in accordance with regulations accompanying Policy 2120.2. The school district requires all persons voting to provide their printed name, address, and signature.

Sports Clearance

Rush-Henrietta athletics is excited to announce we are now offering the convenience of online registration for sports clearance through FamilyID. You may access this portal through our website at www.rhnet.org/familyid.

FamilyID is a secure registration platform that provides an easy, user-friendly way to register for our sports programs. When you register through FamilyID, the system keeps track of your information in an online profile. You enter information only once for each family member; the information you initially enter is available for use with multiple programs.

You may begin to create your FamilyID profile at any time. Completing the FamilyID profile prior to registering your child for each season will help expedite the sign-up process.

Required forms can be uploaded using the online system during the clearance process starting 30 days prior to the start of the season. You will be able to upload current physical forms and medical orders, and complete the sports questionnaire form during this clearance process. Please be sure to have this information ready in electronic form to complete your child's file.

SchoolTool: Online Gradebook

The Rush-Henrietta Central School District uses SchoolTool for its online gradebook. SchoolTool is designed to enhance home-school communication and give parents more timely opportunities to become involved in their child's education. Students in grades K-12 and their parents can log in securely and review schedules, assignments, grades, test results, and attendance information.

Parents and students will receive information regarding their accounts in August. At that time, SchoolTool can be accessed by visiting <https://schooltool.rhnet.org/schooltool/>. You can also access the system by visiting the district website and clicking on SchoolTool in the Quick Links menu.

If you have questions about your login information after the mailing goes out in August, please contact the main office at your child's school.

Reading Rocks

Reading is an important activity that is encouraged and supported in a variety of ways. From guest readers to author visits, and PARP (Parents As Reading Partners) activities to special reading events, students are introduced to a range of activities that help grow their comprehension and love of reading.

Book fairs are an exciting opportunity for students to browse through a diverse selection of books that they may wish to own. They may do this during the school day or as part of a special evening event. At Fyle Elementary, students also had the opportunity to participate in a book swap, where they brought in a gently used book they no longer wanted and exchanged it for a book that another student exchanged.

U.S. News & World Report

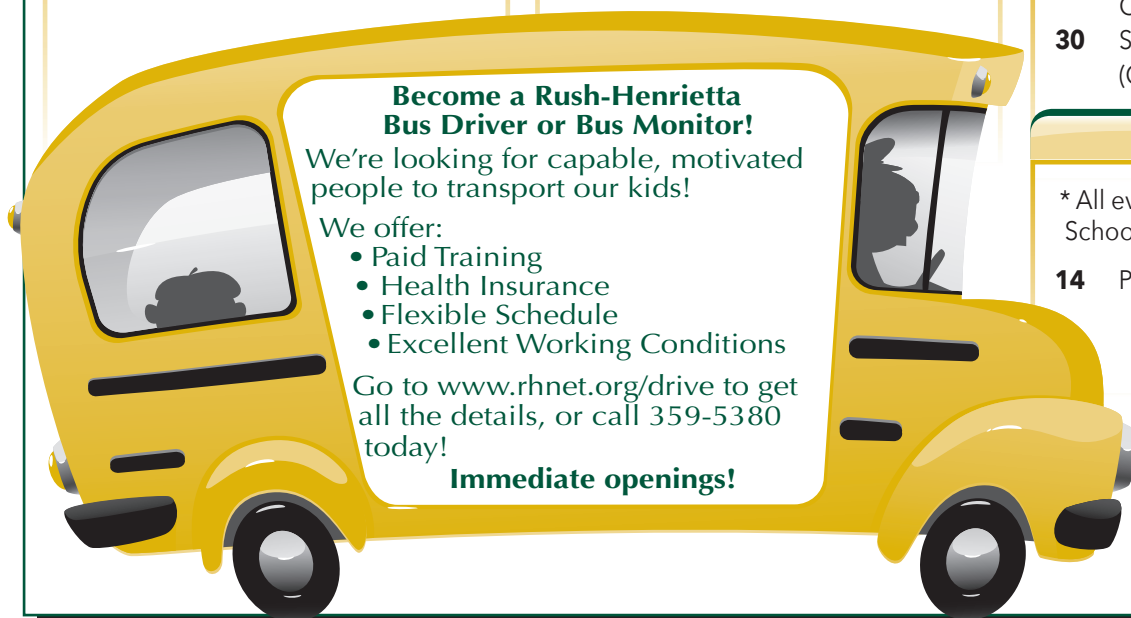

In May 2019, *U.S. News and World Report* released its annual Best High Schools in America poll, and Rush-Henrietta Senior High School ranked among the top 10 percent of high schools nationwide!

The Senior High School is consistently recognized among the top-ranked schools in the nation. This recognition affirms our commitment to a rigorous curriculum, advanced academic opportunities, and equity. Our school community should be very proud of what we have accomplished together.

For the past two years, Rush-Henrietta Senior High School earned a silver ranking in *U.S. News and World Report's* annual poll. This year, the organization changed the methodology used to calculate school rankings for the poll. The new format provides a rating system that is more thorough and easier to understand.

For the 2019 rankings, scores were based on six weighted indicators: College Readiness, College Curriculum Breadth, Math and Reading Proficiency, Math and Reading Performance, Underserved Student Performance, and Graduation Rate.

District leaders are intent on making sure the good work being done at the Senior High School continues. Thank you for your continued support!

Celebrating Us

We celebrate the diversity of our district with school-based culture fairs and district multicultural nights. At these events, staff, students, and their families can learn about other cultures through food, clothing, crafts, songs, dances, and games. Students from more than 40 countries attend Rush-Henrietta schools, making our district one of the most diverse in the region.

Bringing History to Life

Eighth-grade students in Rush-Henrietta have the opportunity to travel to Washington, D.C., to learn more about U.S. history. This annual trip is packed with visits to monuments and museums, and provides real-world context for historical events. Students return home with a greater appreciation for our nation's history, lasting memories, and tired legs.

Safety First

As part of ongoing efforts to make our schools as safe as possible for students, the Rush-Henrietta Central School District holds safety drills several times throughout the year.

These drills are designed to assess how well we would respond during an emergency. Staff and students participate in evacuation drills, lockout drills, lockdown drills, and medical emergency/hold-in-place drills. The Henrietta Fire District brings the safety trailer to our K-3 schools for mock-home evacuation practice with the students. In addition, each school conducts an AED/CPR drill to ensure that all staff members trained in the use of the automated external defibrillator are prepared to act as needed.

The district works closely with the Henrietta Fire District and the Monroe County Sheriff's Office to practice and refine its safety and emergency response practices. These activities will help us be as prepared as possible in the event of an actual emergency.

Access to Student Records

The Board of Education recognizes the legal requirements to maintain the confidentiality of student records. To that end, the district notifies students, parents, and guardians of their rights under the Family Educational Rights and Privacy Act of 1974 (FERPA) with an annual notification in The Post, in school and district publications, in a letter mailed home to parents/guardians in the fall, and in the packet of information given to each parent/guardian upon registering a child during the school year.

District Policy 5500 (Student Records) and its regulation govern these district practices and clearly outline the rights of parents and students. District policies are available to parents at the office of the district clerk or online at the district website, www.rhnet.org/policies.

E-mail Communication with Parents

In its effort to facilitate regular communication between parents and schools, the Rush-Henrietta Central School District encourages the use of e-mail by school personnel to contact parents about their students. If you would prefer that teachers or administrators not use e-mail in their communication with you, please contact the main office of your child's school to request a copy of District Exhibit 4714-E.1. This document also may be accessed via the district website, www.rhnet.org/policies, or by going to the Board of Education tab and clicking District Policies. Parents can do a search for Policy 4714 (E-mail Communication with Parents/Guardians), and then open the policy and print the related file, E-mail Communication w/Parents/Guardians Exhibit 4714-E.1 - Parent/Guardian Refusal Letter. Parents should fill out the form and send it to the principal of their child's school.

Directory Information

While most student records and information are not released without parental permission, "directory information," in certain cases, may be. Directory information includes a student's name, parents' name, address, telephone number, date and place of birth, e-mail address, photograph, grade, participation in school activities or sports, weight and height if a member of an athletic team, dates of attendance, degrees and awards received, and most recent previous school attended. It is the practice of the district to release such information to colleges, other post-secondary education institutions, military recruiters, and school-related vendors, e.g., school photographers and yearbook publishers. The release of directory information to the media shall be for the sole purpose of reporting upon or promoting a district activity and shall not include addresses and telephone numbers. If parents do not want the district to release directory information to such groups, they should complete and send Exhibit 5500-E.1, or send a letter to their child's school principal, stating so. A complete explanation of these policies and practices is found in District Policy 5500, its regulation, and exhibits. These are available at the office of the district clerk, or on the district website, www.rhnet.org/policies.

Student Privacy and Parental Rights

The privacy of students and the authority of parents are carefully protected by the district. Parents may inspect, upon request, any instructional material used as part of the educational curriculum for students. Additionally, parental permission will be obtained prior to the administration of any student survey, funded in part or in whole by the U.S. Department of Education, which reveals specific personal information about the child or his or her family. A complete explanation of these rights and protections is found in District Policy 4510 and its regulation. These documents are available to parents at the office of the district clerk or online at the district website, www.rhnet.org/policies.

Student Code of Conduct

The Rush-Henrietta Central School District Board of Education is committed to providing a safe and orderly school environment where students may receive—and district personnel may deliver—quality educational services without disruption or interference. Responsible behavior by students, teachers, and district personnel, parents, and other visitors is essential to achieving this goal.

The board recognizes the need to clearly define these expectations for acceptable conduct on school property; to identify the possible consequences of unacceptable conduct; and to ensure that discipline, when necessary, is administered promptly, fairly, and consistently.

Each year the board reviews and adopts the district Code of Conduct for the maintenance of order on school property and at school functions. The code clearly identifies expectations for student conduct and explains the disciplinary procedures used for enforcement. A summary of the Code of Conduct is mailed to homes annually prior to the start of school. For a complete copy of the district Code of Conduct, please go to the district website at www.rhnet.org/codeofconduct.

Attendance Policy

Regular school attendance is essential for the academic success of our students. Recognizing this, the Board of Education has established student attendance guidelines and regulations. These are explained in District Policy 5100 and in the Rush-Henrietta comprehensive attendance policy document. Copies of both documents are available on the R-H district website, www.rhnet.org, and in the office of student and family services. The Board of Education annually reviews pupil attendance records and, if necessary, revises the district's attendance policies.

Emergency Closings

When schools are closed unexpectedly, Rush-Henrietta will attempt to contact the homes of district students using Blackboard, our mass-messaging telephone system. Families also are encouraged to tune to radio and television stations in Rochester. Information regarding closings, delays, or early dismissals also will be posted on the district website, www.rhnet.org. The media is notified about closings by 6 a.m. The Cub Care Program is closed on the days when school is closed due to weather. Please do not call the schools or transportation office.

Searches in Schools - Board of Education Policy 5330-R.1 Section 7

The Rush-Henrietta Central School District has reserved control of all student lockers, desks, and other school spaces. Students, accordingly, should have no reasonable expectation of privacy therein as to school officials. Students, parents, and those in parental relationships are advised that such spaces are subject to search by school officials, at any time, without notice.

Committee on Special Education (CSE)

CSE meetings are held throughout the school year when school is in session, with a limited number of meetings held in July and August. Parents are sent confidential notices inviting them to participate as members of their child's CSE meeting. For more information, please call the Office of Special Education at 359-7931.

Herbicide Application Notification

On occasion, the district may need to apply an emergency application of herbicides on school grounds. This is typically done on long weekends when school is not in session. Please go to our website at www.rhnet.org/herbicide for more information and the forms needed to request a 48-hour advance notification.

New Entrants

Parents new to the district should register their children at the district registrar's office as soon as possible. To register, please schedule an appointment with Mrs. Laurise Beckelhymer, district registrar. She can be reached by phone at (585) 359-7957 or via e-mail at lbeckelhymer@rhnet.org. Upon registration parents will be required to present documentation of district residency, documentation of the child's age, a record of the child's immunizations, a health certificate from a licensed medical professional, and if applicable, judiciary paperwork. Acceptable forms of documentation for residency include mortgage/deed or lease to a house, condominium, or apartment. Acceptable forms of documentation to prove age include a birth certificate or baptismal record. If neither of these is available, other evidence may be considered if it has been in existence for at least two years. The school will make arrangements for the transfer of children's records from their former school after parents sign a release form. School personnel may test children new to the district to determine the best classroom placement and courses for them. For more information, visit the district website at www.rhnet.org/register.

Kindergarten Registration

Children are eligible to enter kindergarten in September 2020 if they will be 5 years old on or before December 1, 2020. Parents are asked to register their children for 2020-2021 kindergarten classes at the district registration office in January, February, and March 2020.

Early kindergarten registration gives school officials time to plan for the screening and orientation programs for incoming kindergartners and their parents. If registering a child after March 31, please contact the registrar as soon as possible. For questions, or to make an appointment, please contact Laurise Beckelhymer at 359-7957, or via e-mail at lbeckelhymer@rhnet.org. Please note, for Universal Pre-Kindergarten (UPK) registration, please call, 359-7914.

Notice of Equal Educational and Employment Opportunities

Pursuant to Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, the Dignity for All Students Act, and such other federal or state statutes and regulations as may pertain, the Rush-Henrietta Central School District does not discriminate on the basis of race, color, national origin, sex, or disability with respect to the educational opportunities it offers, including vocational educational opportunities, nor with respect to the appointment of its employees, employment pay and benefits, counseling services for students, access by students to educational programs, course offerings, textbooks, and student activities. Specifically, but without limitation, it is the policy of the Rush-Henrietta Central School District to assure that no person shall be denied employment solely on the basis of any physical, mental, or medical impairment which is unrelated to the person's ability to engage in the activities involved in the job for which application has been made. Moreover, the Rush-Henrietta Central School District will not tolerate actions by its employees or students which constitute sexual and/or disability harassment.

Persons having questions, or wishing to file a complaint, with respect to an alleged violation of such district policies against discrimination or harassment, other than disability-related claims, should contact Dr. Patrick McCue, at 359-5044, in the Department of Human Resources.

Persons having questions, or wishing to file a complaint, with respect to an alleged violation of such district policies against discrimination or harassment on account of a disability, should contact the district's designated Section 504 coordinator, Ms. Jessica Bailey, at 359-7933.

Any such persons may also make inquiry directly to the United States Department of Education, office for civil rights.

Medicine in School

School personnel are not allowed to give either prescription or non-prescription medication to children in school without written authorization from parents and a physician. If parents wish to have their children receive medicine in school, the following requirements must be met each school year:

- A written order from the primary care physician indicating frequency, dosage, duration, and purpose must be given to the school nurse-teacher.
- Written permission from the parent to give the medicine as prescribed by the primary care physician must be given to the school nurse-teacher.
- The medicine must be packaged in the original container from the pharmacy.
- Parents are responsible for delivering the medicine to the school nurse-teacher. Students may not carry or transport medication to/in school unless specifically authorized to do so.
- Medicines should be halved, as needed, so they are ready for dispensing.

Parents of children who require special attention for medical reasons should discuss this with the school nurse-teacher.

School Physicals

New York State law requires parents or guardians to furnish a certificate of physical examination within 30 days of entrance for all new students, and for students in grades kindergarten, 1, 3, 5, 7, 9, and 11, and for those students participating in sports, requiring special education services, or seeking work permits. It is recommended that all examinations be done by your primary care physician for optimal continuity and health care of your child. If you do not have health insurance, or are in need of a physician, confidential assistance is available by contacting your SNT. In rare instances in which a family is unable to obtain private health care, a physical examination may be conducted in the school by the district nurse practitioner for students whose parents give written consent. Parents have the right to be in attendance at any screening health appraisal performed in school by the district nurse practitioner.

Dental Health Certificate

We recognize the importance of good oral hygiene for all children and recommend that your child has regular periodic complete dental examinations by a dentist every six months, but at least upon entrance to school and again in grades, K, 1, 3, 5, 7, 9, and 11. A dental health certificate is encouraged to be furnished for your child for inclusion in your child's record. Please submit a completed dental certificate to your school nurse-teacher. Forms are available at www.rhnet.org under Student & Family Services, Health Services, and in the main office or health office of each school.

Too Sick for School?

A student should stay home from school if he or she:

- has a fever of 100° F or more.
- had a fever above 100° F in the last 24 hours.
- has vomited in the last 24 hours.
- has had diarrhea in the last 24 hours.
- has a runny nose that requires a great deal of management time.
- has a persistent cough that interferes with concentration.
- is too tired to engage in usual activities.
- has a significantly decreased appetite.
- has one or both eyes that are red, watery, or draining.
- has been on medication for an infection for fewer than 24 hours.
- has severe headache, especially when accompanied by fever.
- has severe sore throat accompanied by fever, malaise and/or red spots in the mouth.
- has a rash that is in various stages.
- has a rash that is pale, irregular in-between the webs of the fingers.

Generally, after the above listed symptoms disappear, students require an additional 24 hours to recover. If you are in doubt about whether or not to send your child to school during or following an illness, please call the school nurse-teacher for advice. If your child has a persistent cough, rash, fever, bump, or other bothersome symptom, you should contact your child's pediatrician.

Concussion Management

A collaborative approach between the student's physician, school nurse-teacher, school counselors, academic and physical education teachers and district nurse practitioner is used to transition students who experienced head trauma back into full academics and activity. Concussion management protocols are available on the district website, www.rhnet.org, under Athletics.

Sports Physicals

Sports physicals are required yearly for each athlete. It is recommended that these exams be completed by your primary care physician. An exam is valid for one year through the month given (e.g. April 1, 2019, exams are good through April 30, 2020). In rare instances in which a family is unable to obtain private health care, the students need to sign up in the health office well in advance of the start of their sport season for an exam with the nurse practitioner. Written consent from the parent is required. You may complete sports clearance online starting 30 days prior to the start of each season by visiting www.rhnet.org/familyid.

4:30-8 PM • Senior High School

School Buildings

Rush-Henrietta schools are available to community groups for meetings and special events under rules established by the NYS Education Department and the Board of Education. Applications for use of school space are available at each school and online at www.rhnet.org. Completed forms need to be returned to the principal of the school you wish to use. A minimum of two weeks notice is required to permit the scheduling of requests.

Athletic Fields

School athletic fields are in great demand. The district works with the Rush and Henrietta recreation commissions, the Rush-Henrietta Athletic Association, and other community sports groups to schedule equitable use of fields. During the summer, town recreation commissions use school fields/facilities for playground programs and for town-sponsored recreational sports leagues.

Community members are invited to walk/run the outdoor track at the high school when it is not being used by athletic or instructional programs. The hours, weather permitting, are sunrise to dusk.

Guidelines for Use

School buildings and grounds are off limits to unauthorized persons from 15 minutes after sunset to 15 minutes after sunrise. When on school grounds:

- No loitering.
- Obey speed limits and parking regulations.
- Park your car only in designated lots.
- Snowmobiles, motor scooters, motorbikes, model airplanes, and drones are prohibited.
- The possession of alcoholic beverages, illegal drugs, firearms, and weapons are always prohibited. Individuals violating the rules will be prosecuted to the full extent of the law.
- Tobacco smoking is not permitted at any time.
- The use of e-cigarettes is not permitted at any time.

Enforcing Parking Regulations on School Property

The district continues to experience a number of illegally parked vehicles in fire lanes and other areas immediately adjacent to and around our schools and other district buildings.

It is mandatory for all vehicles to park in appropriate and designated parking spaces on school property. The only exceptions to this are police and emergency vehicles, school transportation vehicles, school service vehicles, and school events for which special parking arrangements are directed and overseen by district and school security personnel.

In compliance with New York State Uniform Fire Codes, individuals are required to park in appropriately signed parking areas. Violations will be referred to the town code enforcement officials or police officials for issuance of a court appearance ticket.

Thank you for your compliance in this matter, which ensures the safety and security of students, staff, and community groups using district buildings and grounds.

Transportation Procedures

The transportation department strives to promote safe, effective, and efficient transportation services for all Rush-Henrietta students. Listed below are some general guidelines that will aid in this endeavor.

Enhanced Transportation Services

Elementary school students (K-6) who reside more than one tenth (.1) of a mile from school are eligible for district bus transportation services.

Transportation Guidelines

The Board of Education has adopted the following guidelines for students, parents, and bus drivers. These are intended to reduce the length of delay and congestion for the general motoring public.

- Students are expected to be at their assigned bus stops five minutes before the scheduled stopping time. Students are to be in plain view of the bus driver as the bus approaches the bus stop. If the bus driver does not see the student(s), he/she will slow down approaching the stop and look for the student. **After stopping, if students are NOT visible, the bus shall NOT wait.**
- It is expected that all students make a reasonable effort to quickly board the bus. If the bus driver believes students purposely delay boarding the bus, he/she shall give the student(s) a warning and notify the transportation office upon return to the bus garage. **If this behavior continues, the bus shall NOT wait for the student(s).**
- If a student misses the bus to school, the district shall not alter any bus route to pick up the pupil; it will then be the responsibility of the parent/guardian to provide transportation to school. The district may pick up the pupil on another bus route provided there is no route alteration necessary (the students may need to travel to another location for pick up).

- If a student misses the bus going home, the student may take the next scheduled bus ("late bus") if available; otherwise, it shall be the responsibility of the parent/guardian to pick up the pupil. The school will notify the parent/guardian of the student's situation and location.
- For K-3 students, if an adult is not home at drop-off, or a child cannot make his or her way inside the house, the child will be transported to our Cub Care Zone after-school program at the Good Shepherd site, 3288 East Henrietta Road. For students in grades 4-6, parents may request that their child not be dropped off without an adult present, and the same rule will apply. This service will cost \$20 each time it is used, plus an initial, one-time registration fee for "as-needed" care of \$20. This payment is due on arrival and may be paid with cash or credit card. The program closes at 6 p.m. each weekday.

This information is a summary of Board of Education Policy 8411 and 8411-R. Complete copies of these and all other board policies are available in the district clerk's office and on the district website, www.rhnet.org/policies.

Annual Request for Transportation to Babysitter or Childcare

In accordance with Board of Education Policy 8411 and Regulation 8411-R, parents or guardians of students living in the Rush-Henrietta Central School District who wish to have their child/children picked up or discharged at a childcare location must file a written request on the appropriate form annually by **April 1**. This request is to be filed at the school in which the child/children attend. **The request must be renewed each subsequent year by April 1.**

Please note, state law prohibits school districts from transporting students between home and a day care, so there will be no transportation to or from the Cub Care Program. Students can only be transported between school and home, or school and a day care.

Parents/guardians must have a consistent, five-day-a-week schedule for their child's bussing, with a maximum of two pick-up and two drop-off points during the week. For example, a child may go to day care Monday, Wednesday, and Friday and home the other two days. This form must be completed and submitted to the school office before service can be provided.

Applications for transportation received after April 1 for day care providers outside of the student's home school attendance area will be subject to existing bus routes and bus capacity limitations.

Student Bus Stop Change Requests

Bus schedules will be printed on or before August 15. Any requests for changes to a bus stop received after August 23 will not be processed until the Monday following the first day of school. For the remainder of the school year, requests for changes to a bus stop must be submitted, in writing, to the student's school no later than the Wednesday prior to the week of the requested change.

Private, Parochial, and Charter School Transportation

All transportation applications for private, parochial, and charter schools must be received by **April 1**. Applications for transportation received after the April 1 deadline will be subject to existing bus routes and capacity limitations. Requests must be renewed each year by April 1. Transportation is provided pursuant to New York State law.

Staying involved in your child's education can be a daunting task in today's busy world, but it doesn't have to be if you make the most of modern technology! Rush-Henrietta's Office of Community Relations offers the following tips on how to get the latest school and district news this year.

Enjoy the New E-News/ Phone Notification System

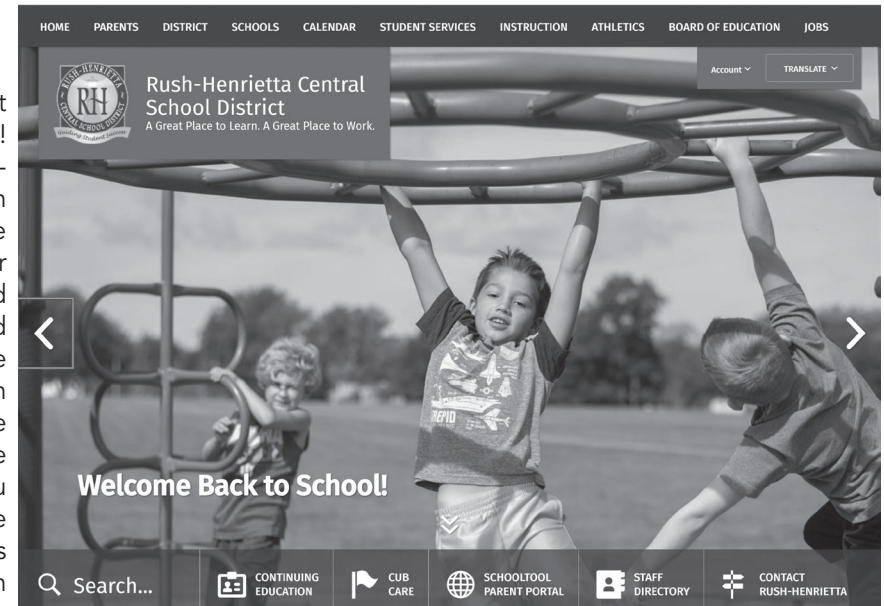

Rush-Henrietta has moved to a new system for getting information to families quickly and effectively. The Blackboard system offers several advantages we think you will enjoy. This system allows us to call more than one parent or guardian per student. This means that now calls regarding snow days, important reminders, or other vital information can be delivered to more than one contact per student. Also, you no longer have to sign-up for E-News! Parents with email addresses on record in SchoolTool will automatically receive the E-News updates from their child's principal! Now you can be sure that you are staying up-to-speed on all key information coming from your child's school and the district. Please provide updated phone and email contacts on your child's blue card. If these change during the school year, please notify the main office of your child's school.

Participate in ThoughtExchange

We have a new tool to help us gather input from the community on important topics. Called ThoughtExchange, this online forum allows participants to anonymously share their thoughts on a subject and react to thoughts shared by others. This method of gathering community input on key questions helps inform the district of the broader community's feelings and ideas, so that they may be taken into consideration. Watch for notification regarding ThoughtExchange opportunities throughout the school year and make your voice heard!

Visit the District Website

Located at www.rhnet.org, the district website is a wealth of information! You can find district-wide and school-specific information, breakfast and lunch menus, a staff directory, and more. The online calendar provides information for district events, and can be customized to fit your preferences for school-based events. News items are posted to the district and school pages regularly. In the event of an emergency or adverse weather conditions, an alert will be posted on the main page to keep you informed. To make the site as accessible to as many Rush-Henrietta residents as possible, a click of the Translate button in the upper right corner allows the visitor to view the website in their preferred language.

Follow Us on Facebook and YouTube

Help us celebrate the five-year anniversary of the Rush-Henrietta Central School District official Facebook page! Launched in 2014, this popular feature can be found by visiting www.facebook.com/rhschools. More than 4,700 people have liked the page so far, and we encourage you to do the same! Please note that you do not need a Facebook account to view posts and see important and inspiring news from your child's school and district!

In addition, Rush-Henrietta has its own YouTube channel. You can find it at www.rhnet.org/youtube, and peruse the many parent education videos, recordings of special events, a back-to-school message from the superintendent, and more! Both the district's Facebook and YouTube pages are also accessible by clicking on the appropriate links on the district website at www.rhnet.org. Thank you for checking them out throughout the year!

Rush-Henrietta Again Named a Best Community for Music Education

In 2019, Rush-Henrietta Central School District was once again honored with the Best Communities for Music Education designation from The NAMM Foundation for outstanding commitment to music education. This is the tenth consecutive year and the 14th time overall that we have been awarded this designation.

Now in its 20th year, the Best Communities for Music Education designation is awarded to districts that demonstrate outstanding achievement in efforts to provide music access and education to all students. To qualify for the Best Communities designation, Rush-Henrietta met criteria concerning funding, graduation requirements, music class participation, instruction time, facilities, and support for the music programs.

This national award recognizes that Rush-Henrietta

is leading the way with learning opportunities for students, including music and the arts as important elements of a well-rounded education.

Research into music education continues to demonstrate educational/cognitive and social skill benefits for children who make music. After two years of music education, research found that participants showed more substantial improvements in how the brain processes speech and reading scores than their less-involved peers, and that students who are

involved in music are not only more likely to graduate high school, but to attend college as well. Everyday listening skills are stronger in musically-trained children than in those without music training. Not to mention, social benefits include conflict resolution, teamwork skills, and how to give and receive constructive criticism.

We are proud of our music program, and honored by this prestigious designation.
