Dear Rush-Henrietta Families,

In these most unfamiliar of times, it must have felt good to walk to the mailbox, reach inside, and retrieve the Rush-Henrietta Central School District’s new 2020-2021 calendar. For a few fleeting moments, I bet the world felt as if it were back to normal. We truly wish that were the case.

So much has changed for all of us during the past six months. It appears this will occur for the foreseeable future as our community, state, and nation, continue to grapple with the effects of COVID-19. At the time this calendar was printed, each public school district in New York was waiting to learn if we would be allowed to open for in-person classes, and under what conditions that could happen.

It is our sincere desire that our students are back in the classroom for as much of the school year as possible, and for that to be done as safely as possible. However, much remains to be seen. That is why families should use this calendar only as a guide, and not as a promise. Each event listed is subject to change. While some may occur virtually, others may not happen this year.

Many people in the Rush-Henrietta Central School District have spent the summer preparing for three scenarios - a full return to school, a remote-learning experience, or a blended approach of both. We carefully examined each aspect of school operations, including instructional methods, mental health services, and safety precautions that will best meet the needs of our students.

Regardless of what we are allowed to do by the state, our district will be prepared to move forward on the first day of school. I want to thank everyone who has worked so hard for the past months to help us reach this point.

No matter the situation we face, let’s do our best to rise to the challenge by demonstrating an “R-H Strong” attitude. None of us want to be in this particular situation and we all long for the days of traditional school and regular schedules. Until that again becomes a reality, let’s work together as a united team. Let us strive to pursue the noble and common goal to do everything within our power to support our 5,300 students - in every way - during this challenging time.

I wish we didn’t have to start the new school year in such a different fashion. Yet, I know we can do this... because we are R-H Strong!

Sincerely,

Lawrence Bo Wright
Superintendent
The school district is governed by a seven-member Board of Education elected by eligible voters of the district. Members are volunteer public officials who serve, without pay, for three-year terms. As elected representatives of district residents and as officers of the state of New York, board members must carry out duties required by the state Legislature, the Board of Regents, and the state Commissioner of Education. The board establishes policies for the operation of the district and the superintendent of schools carries out these policies.

Board meeting dates are indicated on the monthly calendar pages and on page 3 or by accessing the online calendar on the district website, www.rhnet.org. Meetings begin at 7 p.m. and are held in the Dee Strickland Conference Room at the Parker Administration Building, 2034 Lehigh Station Road, unless otherwise noted. The board transacts business only at scheduled meetings. Special meetings may be called at the discretion of the board president. District residents are invited to participate at a designated time in all regular board meetings. All board meeting information is available in BoardDocs, located under the Board of Education tab on the district website, www.rhnet.org.

Letters to and questions about the Board of Education can be addressed to Karen Flanigan, school district clerk, at 2034 Lehigh Station Road, Henrietta, NY 14467. She also can be reached by phone at 359-5010.

District Policies
District policies are available in BoardDocs, accessible from the district website at www.rhnet.org/policies. The online database is searchable, allowing visitors to identify key words within board policies.

Voter Information
Budget Vote and Board Elections
Tuesday, May 18, 2021

Each May, eligible voters have the opportunity to vote on the school budget proposed by the Board of Education. In the weeks before the vote, residents will receive the budget newsletter, providing relevant voting information. Election of members to the Board of Education is held in conjunction with the annual vote on the school district budget. Members are volunteers elected at-large for three-year terms. This year, the vote will be held Tuesday, May 18, 2021, at the Transportation and Operations Center, 1133 Lehigh Station Road.

A person shall be entitled to vote in any district election for the selection of members of the Board of Education and in all other matters which may be brought before the voters and placed upon the official ballot, if such person is a citizen of the United States, at least 18 years of age, a resident within the school district for a period of 30 days prior to the election, and qualified to register or is registered to vote in accordance with section 5-106 of the Election Law. You do not have to own property in the district. Challenges to voters believed unqualified to vote may be undertaken pursuant to Education Law provisions and in accordance with regulations accompanying Policy 2120.2. The school district requires all persons voting to provide their printed name, address, and signature.
The area code for all telephone numbers in this calendar is 585. To email staff, use first initial and last name, followed by “@rhnet.org” (e.g. Andrew Whitmore, awhitmore@rhnet.org). For further staff contact information, please refer to the “Staff Directory” in the Quick Links menu on the district website, www.rhnet.org.
The New York Relay Service (1-800-421-1220) will relay calls between regular telephones and TTY's, which are only answered during regular school hours.

For a map of district buildings, access the district website (www.rhnet.org), go to "District," and click on "District Information."

For a comprehensive staff directory, which includes e-mail, please visit www.rhnet.org and click on the Staff Directory icon.
Rush-Henrietta School Meal Program

Welcome all new and returning students!

Our pre-payment option takes a load off your mind and out of your child’s pocket. You may prepay for breakfast, lunch, and snacks by giving the cashier cash or a check ($5 minimum) or you may use credit or debit—Visa or MasterCard—by calling 866-727-3053 or logging on to www.mypaymentsplus.com. Breakfast is available to all students every school day. MyPaymentsPlus charges a transaction fee for prepayments of less than $100 per family.

Free and Reduced Price Meal Application

You must file a new application each school year. The application—which can be downloaded from the district website at www.rhnet.org/mealapplication—will take 10 days to be approved and processed. Last year’s application will expire on October 9, 2020. If no decision is made on your application by October 19, you must pay the full price for your child’s meals, or have your child bring a lunch from home. We do not accept faxed applications.

Submit your application to:

**Sports Clearance**

Rush-Henrietta offers the convenience of online registration for sports clearance through FamilyID. You may access this portal through our website at www.rhnet.org/familyid.

FamilyID is a secure registration platform that provides an easy, user-friendly way to register for our sports programs. When you register through FamilyID, the system keeps track of your information in an online profile. You enter information only once for each family member; the information you initially enter is available for use with multiple programs.

You may begin to create your FamilyID profile at any time. Completing the FamilyID profile prior to registering your child for each season will help expedite the sign-up process.

Required forms can be uploaded using the online system during the clearance process starting 30 days prior to the start of the season. You will be able to upload current physical forms and medical orders, and complete the sports questionnaire form during this clearance process. Please be sure to have this information ready in electronic form to complete your child’s file.

All events held at Good Shepherd School unless otherwise noted.

**SchoolTool: Online Gradebook**

The Rush-Henrietta Central School District uses SchoolTool for its online gradebook. SchoolTool is designed to enhance home-school communication and give parents more timely opportunities to become involved in their child’s education. Students in grades K-12 and their parents can log in securely and review schedules, assignments, grades, test results, and attendance information.

Parents and students will receive information regarding their accounts in August. At that time, SchoolTool can be accessed by visiting https://schooltool.rhnet.org/schooltool/. You can also access the system by visiting the district website and clicking on SchoolTool in the Quick Links menu or by downloading the SchoolTool app to your phone.

If you have questions about your login information after the mailing goes out in August, please contact the main office at your child’s school.

## December 2020

### Rush-Henrietta provides every student with a Chromebook to connect them to rich online resources that allow for powerful learning experiences. During the extended school closure due to COVID-19, these devices played a critical role in distance learning. Students used their Chromebooks to access teachers’ Google Classrooms and stay connected with their school community.

Because of the district’s ongoing focus on providing the information and technology skills students need to be successful, our teachers and staff were well-versed in making the most of these instructional resources. Our students were already comfortable with using online tools to create, collaborate, and communicate in a digital setting. This enabled our students to quickly adapt to the new instructional model while they finished their school year at home.

Normally, students in grades 4-12 are allowed to bring their devices home, while students in grades K-3 have access to their Chromebooks only at school. Our K-3 students were given the chance to bring their Chromebooks home during the pandemic to help facilitate their continued learning experiences. Even more, all returning students in grades K-11 were allowed to keep their Chromebooks over the summer to allow for continued access to home learning opportunities.

All meetings and events are subject to change based on COVID-19 conditions.

## January 2021

### Enhanced Entrances

Starting in July 2019, Rush-Henrietta has been working to create more secure entrances at Crane, Leary, and Winslow elementary schools. The district first considered these enhancements based on comments shared by community members during the inaugural District Safety Forum in 2018. The goal of this work is to create secure vestibules that will help staff members better know who is visiting our buildings, as well as the reason for their visit. Other schools in the district have received similar security enhancements in recent years.

During construction, these schools used alternate entrances for students, and main office staff continued to work while their areas were being moved. We are happy to say the new entrances are ready and our main office staff have moved into their new, more secure, areas. Thank you for your patience and support as the construction progressed. All of our schools are looking forward to welcoming students back to the buildings!

The Cub Care Zone is a fee-based childcare program for Rush-Henrietta students in grades K-6.

Online registration for 2021-2022 begins Wednesday, March 3, 2021, and runs through Wednesday, June 9, 2021! Simply go to www.rhnets.org/c2z to learn more and to register your child. Before and after school care is available for 3, 4, or 5 days a week at the school your child attends. Care is also available non-school days, including Superintendent's Conference days, school recesses, some holidays, and the summer.

For more information on this program, please go to page 33.

All meetings and events are subject to change based on COVID-19 conditions.

### April 2021

#### Community Circles Foster Conversation

In Rush-Henrietta, community-building circles are being used to build and cultivate stronger relationships among students and staff members alike. These facilitated discussions are a main feature of Rush-Henrietta's restorative practices initiatives, and offer opportunities for open, honest conversation. This effort falls under one of the district priorities, Equity and Inclusion.

Restorative practices also help people repair damage within relationships by encouraging those who caused harm to make amends, and encouraging those who were impacted to demonstrate forgiveness. In Rush-Henrietta, these methods were implemented as a pilot program in the Senior High School and Webster Learning Center during the 2017-2018 school year.

The feedback from students and staff members continues to be extremely positive. This unfiltered human interaction is allowing for better, deeper, and more honest conversations, and a greater understanding among members of our school community. Providing a safe, non-judgmental environment allows for positive change to occur. In the next few years as the district begins to dive deeper into its equity and inclusion work, community circles will become even more important.

May 2021

Preparation for Our 75th Anniversary

As we prepare to celebrate the 75th Anniversary of the Rush-Henrietta Central School District in 2022, we are seeking memorabilia. We would love to get copies of old photos, newspaper clippings, school newsletters, and more to show what life was like for students throughout our district's history.

We also love to hear stories about significant events in our district and teachers or administrators who made an impact. Physical items, such as trophies, varsity letters, pins, and graduation programs are also welcome. We do have many past yearbooks, although we are missing a few years so please let us know if you have an old one you can share!

If you have anything you think we might want to showcase during the celebration, please contact the Office of Community Relations by emailing either Travis Anderson (tanderson@rhnet.org) or Heather Campo (hcampo@rhnet.org). Thank you – we look forward to celebrating our district’s history with you!

All meetings and events are subject to change based on COVID-19 conditions.
As part of ongoing efforts to make our schools as safe as possible for students, the Rush-Henrietta Central School District holds safety drills several times throughout the year. These drills are designed to assess how well we would respond during an emergency. Staff and students participate in evacuation drills, lockout drills, lockdown drills, and medical emergency/hold-in-place drills. The Henrietta Fire District brings the safety trailer to our K-3 schools for mock-home evacuation practice with the students. In addition, each school conducts an AED/CPR drill to ensure that all staff members trained in the use of the automated external defibrillator are prepared to act as needed. The district works closely with the Henrietta Fire District and the Monroe County Sheriff’s Office to practice and refine its safety and emergency response practices. These activities will help us be as prepared as possible in the event of an actual emergency.

Student Code of Conduct

The Rush-Henrietta Central School District Board of Education is committed to providing a safe and orderly school environment where students may receive—and district personnel may deliver—quality educational services without disruption or interference. Responsible behavior by students, teachers, and district personnel, parents, and other visitors is essential to achieving this goal.

The board recognizes the need to clearly define these expectations for acceptable conduct on school property; to identify the possible consequences of unacceptable conduct; and to ensure that discipline, when necessary, is administered promptly, fairly, and consistently.

Each year the board reviews and adopts the district Code of Conduct for the maintenance of order on school property and at school functions. The code clearly identifies expectations for student conduct and explains the disciplinary procedures used for enforcement. A summary of the Code of Conduct is mailed to homes annually prior to the start of school. For a complete copy of the district Code of Conduct, please go to the district website at www.rhnet.org/codeofconduct.

Attendance and Promotion Policies

Regular school attendance is essential for the academic success of our students. Recognizing this, the Board of Education has established student attendance and promotion guidelines and regulations. District Policy 4750 explains processes related to student grade-level promotion and retention. District Policy 5100 outlines the attendance policy, which is also explained in the Rush-Henrietta comprehensive attendance policy document. These documents are available on the R-H district website, www.rhnet.org, and in the office of student and family services. The Board of Education annually reviews pupil attendance records and, if necessary, revises the district's attendance policies.

The Board of Education recognizes the legal requirements to maintain the confidentiality of student records. To that end, the district notifies students, parents, and guardians of their rights under the Family Educational Rights and Privacy Act of 1974 (FERPA) with an annual notification in The Post, in school and district publications, in a letter mailed home to parents/guardians in the fall, and in the packet of information given to each parent/guardian upon registering a child during the school year.

District Policy 5500 (Student Records) and its regulation govern these district practices and clearly outline the rights of parents and students. District policies are available to parents at the office of the district clerk or online at the district website, www.rhnet.org/policies.

Access to Student Records

While most student records and information are not released without parental permission, “directory information,” in certain cases, may be. Directory information includes a student’s name, parents’ name, address, telephone number, date and place of birth, e-mail address, photograph, grade, participation in school activities or sports, weight and height if a member of an athletic team, dates of attendance, degrees and awards received, and most recent previous school attended. It is the practice of the district to release such information to colleges, other post-secondary education institutions, military recruiters, and school-related vendors, e.g., school photographers and yearbook publishers. The release of directory information to the media shall be for the sole purpose of reporting upon or promoting a district activity and shall not include addresses and telephone numbers. If parents do not want the district to release directory information to such groups, they should complete and send Exhibit 5500-E.1, or send a letter to their child’s school principal, stating so. A complete explanation of these policies and practices is found in District Policy 5500, its regulation, and exhibits. These are available at the office of the district clerk, or on the district website, www.rhnet.org/policies.

Directory Information

The privacy of students and the authority of parents are carefully protected by the district. Parents may inspect, upon request, any instructional material used as part of the educational curriculum for students. Additionally, parental permission will be obtained prior to the administration of any student survey, funded in part or in whole by the U.S. Department of Education, which reveals specific personal information about the child or his or her family. A complete explanation of these rights and protections is found in District Policy 4510 and its regulation. These documents are available to parents at the office of the district clerk or online at the district website, www.rhnet.org/policies.

E-mail Communication with Parents

In its effort to facilitate regular communication between parents and schools, the Rush-Henrietta Central School District encourages the use of e-mail by school personnel to contact parents about their students. If you would prefer that teachers or administrators not use e-mail in their communication with you, please contact the main office of your child’s school to request a copy of District Exhibit 4714-E.1. This document also may be accessed via the district website, www.rhnet.org/policies, or by going to the Board of Education tab and clicking District Policies. Parents can do a search for Policy 4714 (E-mail Communication with Parents/Guardians), and then open the policy and print the related file, E-mail Communication w/Parents/Guardians Exhibit 4714-E.1 - Parent/Guardian Refusal Letter. Parents should fill out the form and send it to the principal of their child’s school.

Attendance and Promotion Policies

The Board of Education recognizes the legal requirements to maintain the confidentiality of student records. To that end, the district notifies students, parents, and guardians of their rights under the Family Educational Rights and Privacy Act of 1974 (FERPA) with an annual notification in The Post, in school and district publications, in a letter mailed home to parents/guardians in the fall, and in the packet of information given to each parent/guardian upon registering a child during the school year.

District Policy 5500 (Student Records) and its regulation govern these district practices and clearly outline the rights of parents and students. District policies are available to parents at the office of the district clerk or online at the district website, www.rhnet.org/policies.

Attendance and Promotion Policies

Regular school attendance is essential for the academic success of our students. Recognizing this, the Board of Education has established student attendance and promotion guidelines and regulations. District Policy 4750 explains processes related to student grade-level promotion and retention. District Policy 5100 outlines the attendance policy, which is also explained in the Rush-Henrietta comprehensive attendance policy document. These documents are available on the R-H district website, www.rhnet.org, and in the office of student and family services. The Board of Education annually reviews pupil attendance records and, if necessary, revises the district's attendance policies.
Emergency Closings

When schools are closed unexpectedly, Rush-Henrietta will attempt to contact the homes of district students using Blackboard, our mass-messaging telephone system. Families also are encouraged to tune to radio and television stations in Rochester. Information regarding closings, delays, or early dismissals also will be posted on the district website, www.rhnet.org. The media is notified about closings by 6 a.m. The Cub Care Program is closed on the days when school is closed due to weather. Please do not call the schools or transportation office.

Searches in Schools - Board of Education Policy 5330-R.1 Section 7

The Rush-Henrietta Central School District has reserved control of all student lockers, desks, and other school spaces. Students, accordingly, should have no reasonable expectation of privacy therein as to school officials. Students, parents, and those in parental relationships are advised that such spaces are subject to search by school officials, at any time, without notice.

Committee on Special Education (CSE)

CSE meetings are held throughout the school year when school is in session, with a limited number of meetings held in July and August. Parents are sent confidential notices inviting them to participate as members of their child’s CSE meeting. For more information, please call the Office of Special Education at 359-7931.

Herbicide Application Notification

On occasion, the district may need to apply an emergency application of herbicides on school grounds. This is typically done on long weekends when school is not in session. Please go to our website at www.rhnet.org/herbicide for more information and the forms needed to request a 48-hour advance notification.

New Entrants

Parents new to the district should register their children at the district registrar’s office as soon as possible. To register, please schedule an appointment with the district registrar at (585) 359-7957. Upon registration parents will be required to present documentation of district residency, documentation of the child’s age, a record of the child’s immunizations, a health certificate from a licensed medical professional, and if applicable, judiciary paperwork. Acceptable forms of documentation for residency include mortgage/deed or lease to a house, condominium, or apartment. Acceptable forms of documentation to prove age include a birth certificate or baptismal record. If neither of these is available, other evidence may be considered if it has been in existence for at least two years. The school will make arrangements for the transfer of children’s records from their former school after parents sign a release form. School personnel may test children new to the district to determine the best classroom placement and courses for them. For more information, visit the district website at www.rhnet.org/register.

Kindergarten Registration

Children are eligible to enter kindergarten in September 2021 if they will be 5 years old on or before December 1, 2021. Parents are asked to register their children for 2021-2022 kindergarten classes at the district registration office in January, February, and March 2021.

Early kindergarten registration gives school officials time to plan for the screening and orientation programs for incoming kindergartners and their parents. If registering a child after March 31, please contact the registrar as soon as possible. For questions, or to make an appointment, please contact the district registrar at 359-7957. Please note, for Universal Pre-Kindergarten (UPK) registration, please call 359-7914.

Notice of Equal Educational and Employment Opportunities

Pursuant to Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, the Dignity for All Students Act, and such other federal or state statutes and regulations as may pertain, the Rush-Henrietta Central School District does not discriminate on the basis of race, color, national origin, sex, or disability with respect to the educational opportunities it offers, including vocational educational opportunities, nor with respect to the appointment of its employees, employment pay and benefits, counseling services for students, access by students to educational programs, course offerings, textbooks, and student activities. Specifically, but without limitation, it is the policy of the Rush-Henrietta Central School District to assure that no person shall be denied employment solely on the basis of any physical, mental, or medical impairment which is unrelated to the person’s ability to engage in the activities involved in the job for which application has been made. Moreover, the Rush-Henrietta Central School District will not tolerate actions by its employees or students which constitute sexual and/or disability harassment.

Persons having questions, or wishing to file a complaint, with respect to an alleged violation of such district policies against discrimination or harassment, other than disability-related claims, should contact Dr. Patrick McCue, at 359-5044, in the Department of Human Resources.

Persons having questions, or wishing to file a complaint, with respect to an alleged violation of such district policies against discrimination or harassment on account of a disability, should contact the district’s designated Section 504 coordinator, Ms. Jessica Bailey, at 359-7933.

Any such persons may also make inquiry directly to the United States Department of Education, office for civil rights.
School personnel are not allowed to give either prescription or non-prescription medication to children in school without written authorization from parents and a physician. If parents wish to have their children receive medicine in school, the following requirements must be met each school year:

- A written order from the primary care physician indicating frequency, dosage, duration, and purpose must be given to the school nurse-teacher.
- Written permission from the parent to give the medicine as prescribed by the primary care physician must be given to the school nurse-teacher.
- The medicine must be packaged in the original container from the pharmacy.
- Parents are responsible for delivering the medicine to the school nurse-teacher. Students may not carry or transport medication to/in school unless specifically authorized to do so.
- Medicines should be halved, as needed, so they are ready for dispensing.

Parents of children who require special attention for medical reasons should discuss this with the school nurse-teacher.

New York State law requires parents or guardians to furnish a certificate of physical examination within 30 days of entrance for all new students, and for students in grades kindergarten, 1, 3, 5, 7, 9, and 11, and for those students participating in sports, requiring special education services, or seeking work permits. It is recommended that all examinations be done by your primary care physician for optimal continuity and health care of your child. If you do not have health insurance, or are in need of a physician, confidential assistance is available by contacting your SNT. In rare instances in which a family is unable to obtain private health care, the students need to sign up in the health office well in advance of the start of their sport season for an exam with the nurse practitioner. Written consent from the parent is required. You may complete sports clearance online starting 30 days prior to the start of each season by visiting www.rhnet.org/familyid.

A student should stay home from school if he or she:

- has a fever of 100º F or more.
- had a fever above 100º F in the last 24 hours.
- has vomited in the last 24 hours.
- has had diarrhea in the last 24 hours.
- has a runny nose that requires a great deal of management time.
- has a persistent cough that interferes with concentration.
- is too tired to engage in usual activities.
- has a significantly decreased appetite.
- has one or both eyes that are red, watery, or draining.
- has been on medication for an infection for fewer than 24 hours.
- has severe headache, especially when accompanied by fever.
- has severe sore throat accompanied by fever, malaise and/or red spots in the mouth.
- has a rash that is in various stages.
- has a rash that is pale, irregular in-between the webs of the fingers.

Generally, after the above listed symptoms disappear, students require an additional 24-72 hours to recover. If you are in doubt about whether or not to send your child to school during or following an illness, please call the school nurse-teacher for advice. If your child has a persistent cough, rash, fever, bump, or other bothersome symptom, you should contact your child’s pediatrician. For up-to-date guidelines related to COVID-19, please visit our website.

A collaborative approach between the student's physician, school nurse-teacher, school counselors, academic and physical education teachers and district nurse practitioner is used to transition students who experienced head trauma back into full academics and activity. Concussion management protocols are available on the district website, www.rhnet.org, under Athletics.

Sports physicals are required yearly for each athlete. It is recommended that these exams be completed by your primary care physician. An exam is valid for one year through the month given (e.g. April 1, 2020, exams are good through April 30, 2021). In rare instances in which a family is unable to obtain private health care, the students need to sign up in the health office well in advance of the start of their sport season for an exam with the nurse practitioner. Written consent from the parent is required. You may complete sports clearance online starting 30 days prior to the start of each season by visiting www.rhnet.org/familyid.

Due to delays in the fall sports season, and the uncertainty of the winter and spring seasons, the starting dates for each season will be posted on the district website once direction is received from the New York State Public High School Athletic Association (NYSPHSAA).

Sports schedules are subject to change.

Sports Booster Club Meetings
Information can be found on page 35.
Rush-Henrietta schools are available to community groups for meetings and special events under rules established by the NYS Education Department and the Board of Education. Applications for use of school space are available at each school and online at www.rhnet.org. Completed forms need to be returned to the principal of the school you wish to use. A minimum of two weeks notice is required to permit the scheduling of requests.

The district continues to experience a number of illegally parked vehicles in fire lanes and other areas immediately adjacent to and around our schools and other district buildings.

It is mandatory for all vehicles to park in appropriate and designated parking spaces on school property. The only exceptions to this are police and emergency vehicles, school transportation vehicles, school service vehicles, and school events for which special parking arrangements are directed and overseen by district and school security personnel.

In compliance with New York State Uniform Fire Codes, individuals are required to park in appropriately signed parking areas. Violations will be referred to the town code enforcement officials or police officials for issuance of a court appearance ticket.

Thank you for your compliance in this matter, which ensures the safety and security of students, staff, and community groups using district buildings and grounds.

To confidentially report non-emergency situations that may pose a threat to the safety or well-being of Rush-Henrietta students, staff or school property, DIAL 359-STOP (7867).

School athletic fields are in great demand. The district works with the Rush and Henrietta recreation commissions, the Rush-Henrietta Athletic Association, and other community sports groups to schedule equitable use of fields. During the summer, town recreation commissions use school fields/facilities for playground programs and for town-sponsored recreational sports leagues.

Community members are invited to walk/run the outdoor track at the high school when it is not being used by athletic or instructional programs. The hours, weather permitting, are sunrise to dusk.

School buildings and grounds are off limits to unauthorized persons from 15 minutes after sunset to 15 minutes after sunrise. When on school grounds:

- No loitering.
- Obey speed limits and parking regulations.
- Park your car only in designated lots.
- Snowmobiles, motor scooters, motorbikes, model airplanes, and drones are prohibited.
- The possession of alcoholic beverages, illegal drugs, firearms, and weapons are always prohibited. Individuals violating the rules will be prosecuted to the full extent of the law.
- Tobacco smoking is not permitted at any time.
- The use of e-cigarettes is not permitted at any time.

To report an emergency situation that poses an imminent threat, please call 911.
The Rush-Henrietta Continuing Education Program includes offerings in personal and professional skill development, fine arts, crafts, physical fitness, and safe driving. New courses are added regularly based on interest. The program year is divided into four sessions, fall, winter, spring, and summer. A continuing education brochure describing courses, fees, and registration procedures is mailed to district residents before the start of each session. You can register online at www.rhnet.org/ceregister, and view or print the brochure by accessing the district website at www.rhnet.org/brochures. If you have any questions, please call the continuing education office at 359-7805, or email RHCE@rhnet.org.

Driver Education

Driver Education is a joint partnership between the New York State Education Department and the Department of Motor Vehicles. This course is intended to educate students on appropriate driving skills and habits as well as playing a responsible role in the highway transportation/safety system. This fee-based program is open to any student 16 years or older who is enrolled in high school at the time of registration, and holds a valid NYS Learner’s Permit. A fall, winter/spring, and two summer programs are offered each year. Please call 359-7805 for more information.

District Learn-to-Swim Program
Rush-Henrietta Continuing Education offers the American Red Cross Learn-to-Swim program during the school year and throughout the summer. Watch for the swim lesson schedule and registration information in the Continuing Education brochures that are printed and mailed to all district residents four times a year. To learn more, please call 359-7805 or visit www.rhnet.org/ceregister.

Community Pool Use
The pool can be scheduled by district residents for school and non-school groups for a fee during the school year. Requests may be made through the continuing education office. For a fee schedule, available dates, and appropriate paperwork, contact the Office of Continuing Education at 359-7805.

Pool Schedule During School Year
The pool is available for district resident use during the school year according to the below schedule. Open swim may also be available during school recesses. Pool hours may change at any time. For pool rules, available dates and up-to-date information, call the continuing education office at 359-7805. The family open swim fee is $2 per person, per hour.

- Sunday 12:2 PM - 2:4 PM Scheduled Community Use
- Friday 7:15-9:15 PM Scheduled Community Use
- Saturday Noon-1 PM Family Open Swim
- 2-4 PM Family Open Swim

What is Available in the Zone?
- Students in grades K-6 attending school in-person following the hybrid model may choose Before & After School Care for 1 or 2 days. Care will be provided in the Rush-Henrietta building the child attends on the days they attend in-person. The program is open from 6:30 a.m. until school starts, and again from the end of the school day until 6 p.m.
- When we return to a traditional school schedule, Before & After School Care will be available for students in grades K-6 at the Rush-Henrietta building the child attends for 3, 4, or 5 days a week. This care will be available all days school is in session and follows the district calendar.
- As Needed Care is available for any Rush-Henrietta school district student who is registered with the Cub Care Zone and has completed the enrollment process. This “family insurance plan” allows you to call and have your child sent to before or after care as needed.
- Even Start is a quality multi-cultural program offering developmentally appropriate curriculum and a family literacy preschool experience for children three to five years old. There is a morning and an afternoon session available. In addition, the program is open to children eight weeks to three years old who have a parent in the Rush-Henrietta Adult Literacy Program.
- UPK Extended Care is available to all pre-school students who attend UPK at the Rush-Henrietta school district program located at Good Shepherd School, 3288 E. Henrietta Road. Before and after care is provided for students enrolled in the morning or afternoon UPK classes at this location. Care is available from 6:30 AM to 6 PM.

For more information on the Rush-Henrietta Cub Care Zone programs, or to register your child, go to www.rhnet.org/c2z or call 359-7911.
The transportation department strives to promote safe, effective, and efficient transportation services for all Rush-Henrietta students. Listed below are some general guidelines that will aid in this endeavor.

Enhanced Transportation Services

Elementary school students (K-6) who reside more than one tenth (.1) of a mile from school are eligible for district bus transportation services.

Transportation Guidelines

The Board of Education has adopted the following guidelines for students, parents, and bus drivers. These are intended to reduce the length of delay and congestion for the general motoring public.

- Students are expected to be at their assigned bus stops five minutes before the scheduled stopping time. Students are to be in plain view of the bus driver as the bus approaches the bus stop. If the bus driver does not see the student(s), he/she will slow down approaching the stop and look for the student. After stopping, if students are NOT visible, the bus shall NOT wait.

- It is expected that all students make a reasonable effort to quickly board the bus. If the bus driver believes students purposely delay boarding the bus, he/she shall give the student(s) a warning and notify the transportation office upon return to the bus garage. If this behavior continues, the bus shall NOT wait for the student(s).

- If a student misses the bus going home, the student may take the next scheduled bus (“late bus”) if available; otherwise, it shall be the responsibility of the parent/guardian to pick up the pupil. The school will notify the parent/guardian of the student’s situation and location.

- For K-3 students, if an adult or responsible sibling is not visible to the driver at drop-off, the child will be transported to our Cub Care Zone after-school program at the Good Shepherd site, 3288 East Henrietta Road. For students in grades 4-6, parents may request that their child not be dropped off without an adult present, and the same rule will apply. This service will cost $22 each time it is used, plus an initial, one-time registration fee for “as-needed” care of $25. This payment is due on arrival and may be paid with cash or credit card. The program closes at 6 p.m. each weekday.

This information is a summary of Board of Education Policy 8411 and 8411-R. Complete copies of these and all other board policies are available in the district clerk’s office and on the district website, www.rhnet.org/policies.

Please note, state law prohibits school districts from transporting students between home and a day care, so there will be no transportation to or from the Cub Care Program. Students can only be transported between school and home, or school and a day care.

Parents/guardians must have a consistent, five-day-a-week schedule for their child’s bussing, with a maximum of two pick-up and two drop-off points during the week. For example, a child may go to day care Monday, Wednesday, and Friday and home the other two days. This form must be completed and submitted to the school office before service can be provided.

Applications for transportation received after April 1 for day care providers outside of the student’s home school attendance area will be subject to existing bus routes and bus capacity limitations.

Student Bus Stop Change Requests

Bus schedules will be printed on or before August 7. Any requests for changes to a bus stop received after August 14 will not be processed until the Monday following the first day of school. For the remainder of the school year, requests for changes to a bus stop must be submitted, in writing, to the student’s school no later than the Wednesday prior to the week of the requested change.

Annual Request for Transportation to Babysitter or Childcare

In accordance with Board of Education Policy 8411 and Regulation 8411-R, parents or guardians of students living in the Rush-Henrietta Central School District who wish to have their child/children picked up or discharged at a childcare location must file a written request on the appropriate form annually by April 1. This request is to be filed at the school in which the child/children attend. The request must be renewed each subsequent year by April 1.

Private, Parochial, and Charter School Transportation

All transportation applications for private, parochial, and charter schools must be received by April 1. Applications for transportation received after the April 1 deadline will be subject to existing bus routes and capacity limitations. Requests must be renewed each year by April 1. Transportation is provided pursuant to New York State law.

Staying involved in your child’s education can be a daunting task in today’s busy world, but it doesn’t have to be if you make the most of modern technology! Rush-Henrietta’s Office of Community Relations offers the following tips on how to get the latest school and district news this year.

**Enjoy the E-News/ Phone Notification System**
Rush-Henrietta has moved to a new system for getting information to families quickly and effectively. The Blackboard system offers several advantages we think you will enjoy. This system allows us to call more than one parent or guardian per student. This means that now calls regarding snow days, important reminders, or other vital information can be delivered to more than one contact per student. Also, you no longer have to sign-up for E-News! Parents with email addresses on record in SchoolTool will automatically receive the E-News updates from their child’s principal! Now you can be sure that you are staying up-to-speed on all key information coming from your child’s school and the district. Please provide updated phone and email contacts on your child’s blue card. If these change during the school year, please notify the main office of your child’s school.

**Visit the District Website**
Located at www.rhnet.org, the district website is a wealth of information! You can find district-wide and school-specific information, breakfast and lunch menus, a staff directory, and more. The online calendar provides information for district events, and can be customized to fit your preferences for school-based events. News items are posted to the district and school pages regularly. In the event of an emergency or adverse weather conditions, an alert will be posted on the main page to keep you informed. To make the site as accessible to as many Rush-Henrietta residents as possible, a click of the Translate button in the upper right corner allows the visitor to view the website in their preferred language.

**Participate in ThoughtExchange**
We have an interactive tool to help us gather input from the community on important topics. Called ThoughtExchange, this online forum allows participants to anonymously share their thoughts on a subject and react to thoughts shared by others. This method of gathering community input on key questions helps inform the district of the broader community’s feelings and ideas, so that they may be taken into consideration. Watch for notification regarding ThoughtExchange opportunities throughout the school year and make your voice heard!

**Follow Us on Facebook and YouTube**
Have you visited the Rush-Henrietta Central School District official Facebook page? Launched in 2014, this popular feature can be found by visiting www.facebook.com/rhschools. More than 5,900 people follow the page so far, and we encourage you to do the same! Please note that you do not need a Facebook account to view posts and see important and inspiring news from your child’s school and district!

In addition, Rush-Henrietta has its own YouTube channel. You can find it at www.rhnet.org/youtube, and peruse the many parent education videos, recordings of special events, a message from the superintendent, and more! Both the district’s Facebook and YouTube pages are also accessible by clicking on the appropriate links on the district website at www.rhnet.org. Thank you for checking them out throughout the year!
Rush-Henrietta Receives State and National Recognition

You may recall Rush-Henrietta was ranked as the number one school district in Monroe County according to the USA Today Network’s New York State School Quality Index. Great work continues to take place every day in Rush-Henrietta, and we have received multiple awards that recognize district achievements!

Two R-H Schools Receive State Recognition
The New York State Education Department named Rush-Henrietta Senior High School a 2019-2020 Recognition School! This is the fourth consecutive year our high school has been recognized by the state for its outstanding work on behalf of students. We are thrilled to announce that Crane Elementary School also made the list! This is the first time another of our schools has been named. Recognition Schools are the highest-performing and most rapidly improving schools in the state. Only 13 percent of public schools statewide qualified for this sought-after recognition.

Senior High School Ranked Among Nation’s Best
Rush-Henrietta Senior High School ranks among the top 8.5 percent of public high schools nationwide according to the U.S. News and World Report annual Best High Schools in America poll for 2020! Our high school’s ranking improved by nearly 100 spots on the overall list since last year’s announcement. Scores are based on six weighted indicators: College Readiness, College Curriculum Breadth, Math and Reading Proficiency, Math and Reading Performance, Underserved Student Performance, and Graduation Rate.

R-H Named One of Best Communities for Music Education
Rush-Henrietta was again named one of the nation’s Best Communities for Music Education by The NAMM Foundation based on our firm commitment to music education. This is the 11th consecutive year and 15th time overall R-H has received this prestigious honor! This designation is awarded to districts that demonstrate outstanding achievement in efforts to provide music access and education to all students.

We thank our students, teachers, staff members, administrators, and Board of Education for their hard work in achieving this recognition. We also want to thank parents and community members for their unwavering support of the Rush-Henrietta Central School District. Each recognition affirms our longstanding commitment to a rigorous curriculum, advanced academic opportunities, and equity. Our school community should be exceptionally proud of what we have accomplished together!
