DO YOU DREAM OF A CAREER IN AVIATION?

The Experimental Aircraft Association Chapter 44 and Seneca Waterways Council invite you and a parent/guardian to this joining event to join Exploring and gain real world, hands on experience in careers in aviation.

The world of flight offers fun, camaraderie and problem solving in STEM careers. Young people who register for Aviation Exploring will gain 8 weeks of fascinating experiences. Including:

Air traffic control/Procedures

Flight simulators

Airplane construction

Becoming a test pilot

Drones

Gliders

Fly the Red Bird Flight Simulator- Each Explorer will receive a personal block of time in Rochester Air Centers full motion flight simulator.

An opportunity to register for other local programs which provide scholarships and free flights from volunteer pilots for young people age 8-17 year olds.

See you there,
