

**Success Starts with a Plan!**  
**In a world of options, students need a road map to success.**

## **Naviance Student**

We are pleased to offer our students and families access to **Naviance Student!** We are using this tool with students in grades 6-12 to assist in career development and college planning. This web-based program will complement the annual guidance reviews, classroom presentations, on-line educational videos, and college information sessions which counselors will continue to offer students.

Students will work with this program throughout the school year in classroom lessons provided by their school counselors. Parents are encouraged to sign on to Naviance with their students to do some exploring on the site. Naviance Student will be essential in exploring careers, majors, colleges, scholarships, and so much more.

Students and parents will be able to:

- Receive important news about college visits, college fairs, and college and career related events
- Contact counselors directly by e-mail
- Access comprehensive college, career, and scholarship information
- Explore career interests through a career interest profiler
- Explore personality type and learning style
- Create and update an activities résumé
