

Dear Student,

Recently, we were made aware of your interest in careers in **Aviation Industry/Fire Service**. We are pleased to invite you to participate in the Aviation Explorer Program sponsored by Greater Rochester International Airport Fire Department. This program is designed to inform you of the opportunities available to students considering a career in the Aviation Industry and Fire Service. Students will experience:

- Hands-on demos and training with CPR mannequins
- Guest speakers discussing a variety of Aviation Industry Professions
- Field trips to Aviation facilities, on the Airport
- Other career opportunities in the Aviation Industry

A behind the scenes look into the world of Aviation & Fire Service

Students and parents/guardians are invited to an informational meeting:

Wednesday, December 5, 2018

6:00-7:30PM

Greater Rochester International Airport

Airport Operations Center
200 Gate 5 Road, NY 14624

RSVP to assure a place at this meeting by contacting John Sheible, Exploring Executive:

john.sheible@scouting.org

Please e-mail your name, age of participant, phone number, and that you are reserving a place for the Aviation Industry/ Fire Service informational meeting. **Please bring a check in the amount of \$50.25 made out to "Seneca Waterways Council" to cover the registration fee.**

Program participation will be limited to 25 students. All others will be placed on a waiting list.
