

NOW HIRING TEAM MEMBERS

1635 E. Henrietta Rd, Rochester, NY 14623

part-time | flexible schedule

SoBol is a **new** café primarily serving acai bowls and fruit smoothies. We will be opening in late October with training starting in mid-October. **Join the team and participate in our ribbon cutting and grand opening festivities.**

What is an Acai bowl?

Acai is an antioxidant-packed superfruit native to the Amazon rainforest. Here at SoBol, we blend frozen acai berries, strawberries and bananas to make a thick fruit puree. We then parfait the puree between two layers of our homemade granola. The bowl is then topped with blueberries, sliced bananas, strawberries, a sprinkle of coconut and a drizzle of honey.

We are currently seeking people like you to join our rapidly growing team. At SoBol, team members are experts in multiple areas of the café. You will learn how to properly perform every task necessary to work at a SoBol. This includes creating acai bowls, cutting specialty fruits, working the cash register, blending smoothies, cleaning and prepping.
