

Rush-Henrietta Central School District

Health & Safety Team

The Rush-Henrietta Central School District mission is to foster ongoing continuous improvement of non-instructional services for the benefit of Rush-Henrietta Central school district students and staff, and to provide for the health and safety of students and staff. For this reason, the district would like your input and/or report on any health or safety-related concerns that you may have and would like us to address.

Any health and safety related concerns that you have may be reported in three ways:

- 1) Inform the building administrator of your concern.
- 2) Call our district Safety Tip Line (359-7867) (STOP). The line is checked twice daily and if you wish to be contacted, you may leave a number where we may reach you.
- 3) Complete this form and submit it to Mr. Michael Paladino, School Safety Coordinator at mpaladino@rhnet.org or via mail at Sperry Senior High School.
