

# Successful Student Workshop

## Need some extra help?

If you think that you could benefit from some 'extra time' to study, get organized, finish homework or simply get your day started..... consider attending SSW (Successful Student Workshop).

## What do students need to be successful?

Dedicated Time

Dedicated Place

Dedicated Resources

## **Dedicated Time:**

To study

To do homework

To organize

## **Dedicated Place:**

A place free from distractions

## **Dedicated Resources:**

Educational support and resources to assist with academics.

# Successful Student Workshop:

**Objective:** To improve students' academic performance

## When:

Before School (7:45 – 8:25) Mon – Fri

After School (3:35 – 4:15) Mon, Tues, Thurs

## Students

- Students will sign in the Workshop.
- Students will bring the work that they are having trouble with to the workshop.
- Students will behave appropriately

## Workshop Teachers

- Workshop teachers will help students with any areas of difficulty.
- Workshop teachers will take attendance and distribute bus passes.
- Workshop teachers will expect students to be prepared and attentive to their work.

## Attendance

- Students may choose to attend the Successful Student Workshop whenever they have work to complete or need extra assistance.
- Teachers/Parents may request students to attend the Successful Student Workshop on a daily, weekly or monthly basis for academic help. No student will be assigned to correct misbehavior.
