The Criminal Justice Exploring Academy (CJEA) is an exciting co-ed day camp for high school students ages 15-20. The academy is designed to expose cadets to exciting career opportunities, develop leadership skills and practice hands-on law enforcement techniques. CJEA offers students a better understanding of the world of work in the criminal justice field.

Each exciting day will run from 8AM – 4PM. Your typical day will include an assortment of marching, drills, PT, classroom lessons, field trips, and hands-on exercises. Previous camps have included: visit with Border Patrol, room clearing techniques at Airsoft Tactical, weapons demonstrations by active officers, presentations by the Drug Task Force and Crime Scene Technicians.

The cost for this week is only \$120.00. Space is reserved for the first 50 cadets, so act fast. You need to reserve your spot with a \$30 non-refundable deposit. The remaining balance (\$90) is due by June 12th 2015. If you have any questions, please contact Keith Gomez, Exploring Executive at Keith.Gomez@Scouting.org or call 585-241-8558.
