

Discover Today if the Skilled Trades are right for *YOU!*

Skilled Trades Career Exploration

The Associated Builders and Contractors of New York, in collaboration with the Exploring Division of the Seneca Waterways Council, are offering a unique educational opportunity, focusing on careers in Skilled Trades. During this program, you will be given the opportunity to learn more about these trades, and participate in hands-on projects, to help you determine if this field is right for you. You will be on site, with local contractors from each trade, able to ask questions and learn from those who work in the field every day. You will be able to receive tangible advice and guidance to help you take the right steps now, to position yourself for a successful career in the skilled trades.
