

Dear Student,

Thank you for your interest in automotive maintenance. Monroe Muffler, in cooperation with Exploring, is offering a chance to learn about vehicle maintenance careers at a Monroe Muffler location that is convenient for you. The program will cover oil lube & filters, brakes, exhaust repair and suspension.

To acquaint you with the program and select the most convenient location, you and your parent(s) are invited to attend an informational meeting to be held at:

**Tuesday Nov 15th
7PM
Council Service Center
2320 Brighton-Henrietta Town Line Rd
Rochester NY 14623**

The meeting will last approximately 60 minutes and sign-ups will be held at this time. There is an annual registration fee of \$36, which will be collected at the meeting. Please make checks payable to "Exploring". We are looking forward to meeting with you and your parent.

To assure your spot, please respond promptly to Keith Gomez at Keith.Gomez@Scouting.org or call 241-8558. In your message, please list the name of the participant, their age, the best way to contact them (preferably email address), and that you wish to attend the Monroe Muffler informational meeting.
