Dear Student,

Recently I was made aware of your interest in the medical field through a survey conducted in your school. We, at Monroe Ambulance/Transportation, are eager to assist you in learning about this interesting and challenging career.

I would like to invite you to join our Exploring program. During the coming year, you will have an opportunity to learn the various aspects of this career, while working with professionals and having some hands-on experiences.

You and your parent are welcome to attend our informational meeting:

**Our Open House will be held  
April 7<sup>th</sup>, 2015 at 7-9pm  
1669 Lyell Ave.  
Rochester, NY 14606**

At the end of the evening, after all of your questions have been answered you will have the opportunity to enroll in the Exploring program. It should be noted that the cost of registration for the program is \$25.00 per year; this should be brought to the meeting to expedite enrollment.
