Dear Student,

Have you ever considered a career in the culinary field?

The NY Wine & Culinary Center, in cooperation with Exploring, has planned a unique opportunity, focusing on the many aspects of **culinary arts**. Students will have a chance to learn **knife skills, menu design, food preparation** and many other exciting skills. Explorers will work in the culinary centers' classroom kitchen and learn what it really takes to work in this exciting fast paced environment.

To acquaint you with the program, you and your parent(s) are invited to attend an informational meeting to be held:

Sunday, May 17th
6-8 PM
New York Wine & Culinary Center
800 South Main Street
Canandaigua, New York 14424

The meeting is designed to show you what the post will cover and answer any questions you might have. Applications and the \$142.00 registration fee will also be collected at that time. The registration fee will also cover all costs for food and other program supplies.

Space is **limited to 28 participants**, so please respond promptly to reserve a space for you and your parent by contacting Eric Israel at eric.israel@scouting.org or (585) 241-8542. In your message, please leave your name, the best method of contact, and that you wish to attend the NY Wine & Culinary Center informational meeting. All meetings will take place on Sunday evenings, so please make sure this works in your schedule prior to reserving a spot.

I look forward to seeing you on Sunday, May 17th.
