Happy New Year!

Thank you to our students and families for embracing the holiday spirit last month! Your generosity in donating gloves, coats, hats, and scarves to our Giving Tree truly makes a difference in our community. A special shout-out to our National Junior Honor Society Members for organizing this event and reminding us of the importance of helping others. We are grateful for the wonderful community we have here at Burger.

We will start planning for the 2025-2026 school year in January. All students will select their courses of study, which are important decisions that impact staffing and the classes we offer. I have included a link to the Secondary Program Course Guide to assist you and your student(s) in choosing the right courses. If you have any questions about course offerings, graduation requirements, or your student's schedule for next year, please get in touch with your grade-level counselor at 585.359.5320.

Second Semester

February marks the midpoint of the school year, with the second semester officially starting on January 27. Students in semester courses should check their SchoolTool accounts for updated schedules. This is an ideal time for students to establish realistic and measurable goals. Hard work and perseverance are key to a successful second semester. Engaging in conversations with students about the traits needed for success is highly beneficial.

Matilda JR

Burger Junior High School student performers are excited to announce their performance of *Matilda JR*. This version of the musical inspires children to think beyond their size. Come watch the story of Matilda Jr. come to life on the Burger stage.

Matilda JR is the story of an extraordinary little girl with extraordinary powers. Matilda, the daughter of abusive parents, finds refuge in library books, which she reads quickly and creates her own stories. Things are no better at school, where Matilda also must face a tyrannical and cruel headmistress, Miss Trunchbull. She finds companionship in her teacher, Miss Honey, who, though well-intentioned, is shy and fragile.

Brave little Matilda knows she has to stand up against the adults in her world, and in doing so, discovers her own remarkable powers. Matilda's bravery teaches Miss Honey and her classmates an important lesson -- that even though life can be hard, 'nobody but me is gonna change my story' so "sometimes you have to be a little bit naughty." Performances are at 7 p.m. on:

Saturday, February 8
