Upcoming Events

March 9 Daylight Saving Time Begins
(set clocks ahead by one hour before going to bed)

March 20 First Day of Spring (5:01 a.m.)

April 14 - 18 Spring Recess (Schools Closed)

April 25 Freshman Dinner Dance, 7 p.m.

April 28 Parent Group Meeting, 6:30 p.m.

This winter feels like what winters used to feel like in Western New York. The past few years have been relatively mild, but this winter, with the snowfall, gusty winds, and freezing rain, we've experienced it all. Just like many of you, everyone here is eagerly anticipating March. We are looking forward to the end of winter and the beginning of spring. Bring on the warmth of spring.

Spring Sports Season

As we transition into spring, many students begin to anticipate the upcoming sports season. While the track and field program is among the most popular activities offered throughout the school year, we are excited to welcome a new sport for our students to participate in this year as we will host our first-ever Girls Flag Football team. There is a lot of enthusiasm for this new team at school - we are excited to provide this opportunity to our students. If you would like to enroll your student for spring sports, please follow this [link](#). Once on the webpage, use this [link](#) and scroll down to the section titled Jr. High Parent Information. The modified sports season is set to start on March 31.

NYS Assessments

Our 7th- and 8th-grade students will participate in the New York State Assessments in April, beginning with the English Language Arts assessments. Continuing our tradition, students will undertake the computer-based assessment on Tuesday, April 8, and Wednesday, April 9. The NYS Math Assessments will be conducted on Tuesday, May 6, and Wednesday, May 7.

The NYS assessments are significant benchmarks for tracking students' growth over the years. We encourage all students to participate in both assessments this year. These assessments are not evaluative; instead, they help us gauge the progress each student has made annually. Every day, our students arrive at school, dedicated to enhancing their literacy and problem-solving abilities. We consider these assessments as opportunities for our students to demonstrate their growth as they mature. For parents and guardians, the state assessments offer additional insights into your child's progress.

We appreciate your continued support this year. Your partnership is invaluable in our efforts to support all students at Burger. Should you have any questions regarding the upcoming assessments, our school, or your student, please feel free to reach out to me at glane@rhnet.org.

Best Wishes
Greg Lane

Families of Burger Chorus students:

The Rush-Henrietta Central School District Secondary Choral Festival will take place at 6:30 p.m. Wednesday, March 19. The festival will be held in the Rush-Henrietta Senior High School gymnasium at 1799 Lehigh Station Road. This special concert promises a unique and inspiring performance experience, showcasing the incredible musical abilities of our chorus students in grades 6-12. A highlight of the evening will be two pieces performed by all 500+ students together!

Chorus students were given handouts to take home to families with details concerning the dress rehearsal from 9:30 AM - Noon during the school day on Wednesday, March 19; concert attire for the evening concert; and information on shuttle services for students and families from Burger to the Senior High School. Please be sure your child shares the handout with you, and reach out to your child's chorus teacher afterward with questions.
