

# **RH CSD – Food Service Dept.**

## **Food Service Condiments and Supplies**

### **Cafeteria Supplies**

If you forget to bring supplies for your brown bag lunch from home, we are happy to furnish them, but you do have to pay for them. I am sure this will disappoint many of you.

All food service supplies are purchased with “Child Nutrition Federal Funds”. Federal Regulations state these funds can only be used to purchase supplies for children’s meals for the National School Lunch/Breakfast Program.

Due to this regulation, you can buy plasticware kit for \$.17 each, straws and napkins for \$.05 each and individual plastic spoons, knives and forks for \$.10 each. We cannot sell condiments by themselves, as they do not meet USDA Smart Snack Regulations as individual items. Condiments only come with the purchase of meal items.

Thank you for your understanding and cooperation.
