January 2019

Dear Friends,

Happy New Year! From all of us here at Rush-Henrietta Senior High School, we wish you and yours peace, health, and happiness in 2019!

Here is a brief recap of the January calendar for you:

- **January 2**  Classes resume
- **January 11**  No EMCC Classes, Visitation Day for Sophomores
- **January 16**  PTO meeting 6:30 PM in C-Wing Conf. Rm.
- **January 21**  Schools Closed for MLK Day
- **January 22-24**  R-H classes are in session, Regents Exams administered
- **January 22-23**  No EMCC classes
- **January 25**  No R-H classes, Grading Day, End of Semester 1

See the schedule in this issue for the dates and times for all January Regents Exams. Remember, there are no make-ups for Regents Exams until their next administration in June!

Parents of sophomores and juniors please take note:

We have already begun the scheduling process for the 2019-2020 school year. I cannot emphasize enough how very important it is to adhere to the deadlines we have set up for this process. We base our staffing and master scheduling process on the information we get from you and your students during scheduling. Remember, we invite parents to participate in the scheduling meetings that occur with students and their school counselors. Contact us at 359-5263 or at 359-5220 to schedule an appointment. Thank you in advance for your help.

Parents of seniors please take note:

The new year brings many challenges and exciting times for members of the Class of 2019! Our goal is to see everyone walk across the stage at the Gordon Field House at RIT on Friday, June 28! To that end, seniors need to stay focused and attentive to the requirements for courses ending this month and through their final semester. Elementary and secondary school is a thirteen year journey that our students have traveled, and finishing strong should be the goal for all of our seniors. It’s less about the grades earned; rather, it’s about the habits that are formed: regular attendance at school, being on time, and meeting
deadlines and expectations set forth by teachers. Instilling these habits will serve young adults well as they prepare to leave our school community and take on new challenges and experiences away from R-H.

College & Career Readiness (CCR) is a district priority and a goal we have to prepare all students for life after high school. Our goal continues to be to prepare students for any option they want to pursue following graduation. Some choose 2- or 4-year college experiences, others choose vocational experiences, some join the military, while others go directly into the workforce. In any case, we want them ready for whatever they may choose. We view our students’ parents and guardians as partners with us in the process. Parents and guardians play a vital role in supporting our work in regards to College & Career Readiness by; “checking in” (via SchoolTool), contacting teachers with concerns or questions, and by holding students accountable to expectations and deadlines set by their teachers. So, as you can see, CCR is a shared goal and responsibility. Together we support students as they strive to become College & Career Ready!

Again, my very best wishes to you and your family for a wonderful new year. As always, feel free to contact me with questions, concerns, or compliments at Bpatton@rhnet.org or by calling 359-5202.

Sincerely,

Beth Patton
Senior High School Principal

**Important Information for Seniors**

Remember to schedule your senior appointment with your counselor. *This meeting is required regardless of your post-secondary plans.* Stop in to the Counseling Center Reception Desk to make an appointment with any of the secretaries.

- Be sure you’ve submitted your electronic application using either the Common Application or a specific college application.
- Submit a completed green sheet (transcript request form) to Mrs. Leatzaw in the Counseling Center for each college you’ve applied to.
- If you’ve applied using a paper application, be sure to submit all required paperwork along with the green sheet to Mrs. Leatzaw in the Counseling Center.
- List all colleges you’ve applied to in your Naviance Student account under ‘Colleges I’m Applying to.’

**College Acceptance:**

- When you receive an acceptance from a college or you know which college you will be attending, fill out a yellow slip in the Counseling Office and give it to Mrs. Leatzaw. One pennant will be put on display in the Cafeteria for each college a senior is accepted to.
- If you applied to any colleges that require mid-year grades, see Mrs. Leatzaw in the Counseling Office for a blue request form starting in January. Mid-year grades will be submitted to colleges in February after first semester grades are complete.

**After You Receive Your Admission Decisions:**

- You must notify each college or university that accepts you whether you are accepting or rejecting its offer. You should make these notifications as soon as you have made a final decision regarding the college you wish to attend, but no later than May 1, 2019. It is understood that May 1 will be the postmark date.
- You must confirm your intention to enroll and, if required, submit a deposit to only one college or university. The exception to this arises if you are put on a wait list by a college or university and are later admitted to that institution. You may accept the offer and send a deposit. However, you must immediately notify the college or university you previously indicated your intention to enroll.
- If you are accepted under an early-decision plan, you must promptly withdraw the applications submitted to other colleges and universities and make no additional applications. If you are an early-decision candidate and are seeking financial aid, you need not withdraw other applications until you have received notification about financial aid from the admitting early-decision institution.
College Application Procedures

- Unless applying ONLY to a community college, we strongly encourage and recommend that you use the Common Application. If you are using any other application (SUNY application, Coalition application, college specific applications) please see your school counselor for more specific steps on how to proceed.

- You must meet with your counselor for your senior appointment before anything will be processed. Make sure to submit all your application materials on Common App before turning in your transcript request form (green sheet) to Mrs. Leatzaw.

- There is a short video on your Naviance Student homepage that will also walk you through the steps 1 & 2 outlined below.

1. Create a Common Application Account
   a. Go to [www.commonapp.org](http://www.commonapp.org)
   b. Click *Apply Now* in the upper right corner, then *Create Account*
   c. Fill in all required fields (*Use a personal email account. DO NOT USE YOUR DOCS EMAIL ACCOUNT*)
   d. Login
   e. Complete the FERPA Waiver:
      i. Add at least 1 college to your *My Colleges* list
      ii. Choose the *Common App* tab, and choose the Education portion on the left.
         - Add Rush-Henrietta as your high school and fill in the few questions following and save. You do not have to complete the entire education section!
      iii. Once completed, go back to the *My Colleges* tab
      iv. Choose one of your colleges
      v. Choose *Recommenders and FERPA* on the left
         - **DO NOT request recommendations from teachers or counselors in CommonApp. This will all be done through Naviance.**
         - **If you are having a coach or other recommender who does not work at the Senior High School or one of the junior high schools write a recommendation, you CAN request it from them in Common App.**
      vi. Check all the appropriate boxes, sign and save
         - **Note: You have a choice to waive or not to waive your right. WE RECOMMEND YOU WAIVE YOUR RIGHT (some recommenders will not write a letter if you do not waive your right).**

2. Log in to Naviance Student: [www.rhnet.org/naviance](http://www.rhnet.org/naviance)
   a. Log in using your username and password
   b. Choose the *About Me (Home)* in the upper right hand corner and check your profile under *Account*- make sure your name and email address (*DO NOT USE YOUR DOCS EMAIL ADDRESS*) are the same as what you entered in Common App or it will not link properly. Contact your counselor if you need help changing this.
   c. Next, choose the *Colleges* in the upper right hand corner.
d. Click on **Colleges I’m applying to**

e. Match your Common App account to your Naviance Student Account.

### 3. Add Colleges to your Naviance Student Account

a. Once you have linked your Common App account, many of your colleges may pre-populate. However, if they do not, follow these instructions:
   1. Under **Colleges I’m Applying To**, select the pink (+) button.
   2. Search for your College.
   3. Select the application type from the drop down menu (regular decision, early decision, etc.)
   4. Select how you will submit your application (Common App, Direct to the Institution, etc.)
   5. Click **Add Application**

b. Make sure to indicate which type of application you are using for all colleges.
   1. Look at your completed **Colleges I’m Applying to List**.
   2. Under **Submission Type** you will see a small computer icon. If they are a Common App exclusive school, it will pre-populate for you. Otherwise, you will have to edit how you are applying. If there is a (?) in the computer screen you need to do this: Click on **Edit** (to the right). Under **I’ll Submit My Application** there will be a dropdown menu. Please indicate which type of application you are using.

### 4. If you will be requesting letters of recommendation, stay within **Colleges**, and select the link for **Letters of Recommendation.** Make sure you have had face-to-face communication with this recommender prior to sending the request in Naviance.

a. Click on the link for **add request**

b. Using the drop-down menu select the teacher that will be submitting a recommendation on your behalf.

c. You may individually choose the schools to which this will be sent, or you may choose **All current and future colleges I add to my Colleges I’m Applying To list**.
   - Pay attention to how many recommendations each school requires and actually allows. You may not be sending every recommendation to every school.

d. An email will automatically be sent to your recommender to remind them that you have asked for a letter.

e. Repeat the process above for each additional recommender.

f. If you need a recommendation from your counselor, please ask them during your senior appointment and also check the box on the transcript release form (green sheet). The counselor recommendation is part of the secondary school report and does not count as part of your allowed number.

g. If you need a recommendation from someone outside of Rush-Henrietta, see your counselor about the steps for this process.

### 5. Fill out your application(s) in their entirety. Once you have submitted your application(s) you must fill out a transcript release form (green sheet) for every college to which you are applying. Without that form, we are not authorized to send any records on your behalf, nor will we know that you have actually applied.

### 6. Be sure that any schools to which you are applying or have applied are listed in your Naviance Student account or we will be unable to send your records.

Updated 11/2018
Can you believe we are already beginning the process of selecting courses for the 2019-2020 school year!

Parents of students in 10th and 11th grades will be receiving information in the mail to help guide in the course selection process.

Things to Keep In Mind

• Teacher recommendations will be in SchoolTool listed as an assignment in second quarter. This will allow students and parents to view teacher recommendations. If you have questions about a recommendation, or do not see one, please contact the recommending teacher.

• Each student must request 6.5 to 7.5 credits prior to the individual counselor meeting.

• It is recommended that students have a couple of alternates in mind, since there is no guarantee they will get everything requested.

• If you are not sure which course level to choose, check with the teacher making the recommendation or e-mail your school counselor with your questions.

• Senior High School students are required to schedule a meeting time by stopping in the Counseling Center. Meetings began on Monday, December 17, but they must be completed by Wednesday, February 13, 2019. Parents should inform their child if they plan to attend this meeting in person or via a phone conference, so extra time can be incorporated.

• Once counselors have completed meeting with all students, you will be asked to review the Course Request listed in SchoolTool. If you want to make changes, you must identify the changes and contact your child’s counselor by Wednesday, March 6, 2019. After this deadline, requests for changes may not be honored.

We strongly encourage parents/guardians to work with their child when making course choices for next school year. Students and their parents will get the most satisfaction when they are prepared and involved in the process of selecting courses. Reviewing and then completing the Course Request Process is crucial to your child’s success.

Students can sign up for their appointment in the Counseling Center.

The TIES (Together Including Every Student) Program promotes the participation of children and young adults with developmental disabilities in extracurricular and community activities. This is accomplished by providing participants with effective support by trained student volunteers in grades 8-12 in the Rush-Henrietta Central School District.

Participants and volunteers take part in a wide variety of activities, such as cooking classes, after-school activities, drumming circles, scouting activities, and more. Volunteers attend a 45-minute training session at their school. The time commitment is based on the volunteer’s schedule.

If you are interested in volunteering or have questions about TIES, please contact Doreen Blankenbush at dblankenbush@rhnet.org. Brochures and applications are also available in the Counseling Office.
Looking for a part-time job?

Be sure to look at the Jobs Notebook in the College and Career Center - new job openings are added as they are received. Several employers have contacted us with available jobs for high school students.

2018-19 Field Trips

- National College Fair (11th grade)            March 18, 2019

Details, registration forms and permission slips will be available as the date nears. All field trips are first-come, first-serve and are limited as to the number of students who may participate.

Exploring is a program that gives high school students a chance to check out a career they’re interested in. It’s a career-education program that allows students to learn more about a particular career through hands-on activities led by people in the working world. Exploring ‘Posts’ are groups of students from all over the county who are interested in the same career. They are hosted by area businesses to explore that career in depth. Posts are offered in over 100 different fields from ambulance services to zoology. Many new Exploring Posts open during the fall, including those listed below. Check in the College & Career Center, on the CCC webpage at www.rhnet.org/ccc or the Exploring website at www.swcexploring.org for details and future Post openings! For more information on the individual programs, email John Sheible @ john.scheible@scouting.org or call 585.241.8558. There is also an informational FACT sheet on the CCC website at: https://www.rhnet.org/Page/32357
