Dear Friends,

A sincere “Thank You” to all who took the time to complete our annual Parent Partnership survey! I hope you know that parent feedback on this survey provides the Rush-Henrietta Senior High School and our district with vital information that we use to make our priorities for the following school year. These surveys can seem like “business as usual” for us in Rush-Henrietta, but many school districts do not ask for this kind of feedback. Our district takes the time to ask and really does use this information to respond to parent concerns and feedback, so thank you again. I also look forward to participating in the annual Parent Forum on Thursday, March 7 to review the survey results.

We have two events we are looking forward to the week of March 11 - 15, 2019. First, our PBIS team is sponsoring a school-wide assembly on Tuesday, March 12, in the afternoon featuring Dr. Hakeem Rahim. He is an internationally-recognized mental health consultant, educator and speaker who will reflect upon his journey through stigma and shame to advocacy and mental wellness. Since 2013, Dr. Rahim has spoken at over 200 educational institutions reaching over 70,000 students, parents and school staff. We are eager to hear Dr. Rahim’s message!

Next, on Wednesday, March 13, we will administer the district’s annual Student Survey during Block 1. Just as we do with the parents’ survey feedback, we do the same thing with the students’ feedback. Please encourage your student to take advantage of the opportunity we provide to hear their voices and to shape our school culture!
The end of February brings the winter athletic season to a close. We still have some athletes/teams who are in the midst of sectional play. A special "shout out" to our boys and girls indoor track teams. Both are Section V Champions, and we are sending a record number—28—athletes to the NYS Indoor Track Meet in Ocean Breeze this coming weekend!! Hats off to Coach Mike DeMay and his amazing coaching staff! Rush-Henrietta is a perennial POWERHOUSE in all seasons of track competition. Good luck to all!

March is musical month and this year is no exception! Please come out and support our outstanding performers, musicians and crew who will present "Seussical," Thursday – Saturday, March 21-23 at 7 p.m. Remember to get your tickets online at [www.showtix4u.com/events/404](http://www.showtix4u.com/events/404). Prices are $15 for adults, $12 for students and senior citizens and $8 for those under 12. Hope to see you there!

So, that’s all for now. Please join us for the next PTO meeting at 4:30 p.m. on Wednesday, March 13, in the C-wing Conference room at the Senior High School. This meeting is all about keeping you informed, so please join us!

As always, please contact me with questions, concerns or compliments at Bpatton@rhnet.org or by calling 359-5202.

Take care,

Beth E. Patton

Updated 1/2019
Rochester Scholars is the University’s pre-college academic enrichment program for high school students which offer non-credit mini-courses reflective of areas of study available at the University.

Courses are structured like college seminars and promote learning by doing. Students actively participate in a variety of workshops, class discussions, field trips, group projects, experiments, and labs, putting newfound knowledge to use in independent and creative ways. Classes are taught by university faculty and graduate students, along with top local educators.

Students can choose to take a morning class, an afternoon class, or both. Books, supplies and lunch are included. Enrollment is limited, so be sure to register early.

Visit [http://enrollment.rochester.edu/precollege/courses/](http://enrollment.rochester.edu/precollege/courses/) for FULL Course Descriptions

The TIES (Together Including Every Student) Program promotes the participation of children and young adults with developmental disabilities in extracurricular and community activities. This is accomplished by providing participants with effective support by trained student volunteers in grades 8-12 in the Rush-Henrietta Central School District.

Participants and volunteers take part in a wide variety of activities, such as cooking classes, after-school activities, drumming circles, scouting activities, and more. Volunteers attend a 45-minute training session at their school. The time commitment is based on the volunteer’s schedule.

If you are interested in volunteering or have questions about TIES, please contact Doreen Blankenbush at dblankenbush@rhnet.org. Brochures and applications are also available in the Counseling Office.
