MATH

Module 6: Foundations of Multiplication and Division. This module lays the conceptual foundation for multiplication and division in Grade 3 and for the idea that numbers other than 1, 10, and 100 can serve as units.

Word Study

New Concepts this month include:

Double vowel syllable type, sounds of ai and ay, combining all types of syllables and homophones.

Study Skills

Use study aids, such as quizzes, flash cards, and reading out loud to someone.

Social Studies

This month in our Economics unit, we will be learning about the challenges of meeting people's needs and wants while using human, capital and natural resources. As part of our learning we'll be talking about economics and good decision making.

ELA

This month we are focusing on Nonfiction. Our focus is on what is the most important information in the texts we read? How do we determine importance? What are the elements of Nonfiction? Our focus in writing will be responding to non-fiction text.

Reminder: Students should be reading for **at least 20-30** minutes each night.
