September 2018

Dear Friends,

Welcome to the 2018-19 school year at Rush-Henrietta Senior High School! Our administrators, teachers, and staff members are eager to meet our incoming 10th graders and excited to begin another year with our junior and senior classes. We have a terrific faculty and staff, a wide variety of academic and extra-curricular programs, and a community that supports our efforts tremendously. We are so fortunate and it is going to be a great year. (I can’t wait for you to see the new Bookstore Lounge!)

Schedules and opening-of-school information packets were mailed Wednesday, August 15, and schedules were made available online Friday, August 24. Sophomores received their information at Link Crew’s Orientation on Thursday, August 23. Information about school supplies has been posted on the district’s website since last spring. Supply lists are generated by course, not by individual teachers. You can find those lists at https://www.rhnet.org/Page/24174 right now.

**Remember, classes begin on **_Tuesday, September 4th_!

Our assistant principals have moved with their respective grade levels. Mrs. Stathopoulos will be working with our seniors, Mrs. Logue will be supporting our juniors, and Mr. Russo will be working with the incoming Class of 2021.

I continue to be very proud of our commitment to student success. Rush-Henrietta Senior High School teachers engage in regular “progress monitoring” of our students to determine if interventions are needed to support their efforts. Our due diligence in this regard is directly related to our students’ academic success. For the past two years, the Rush-Henrietta Senior High School has been recognized by the NYS Department of Education as a “Reward School.” This prestigious designation was earned because of the best practices we have put in place to support all students in their academic pursuits. Rush-Henrietta is a great place to work and a great place to learn because of our commitment to our students’ success!
Students have an important role to play with regards to their success. They need to be present in school every day to take advantage of all that we have to offer them. It is imperative that parents and guardians support these expectations for school success and hold students accountable for regular school attendance. Coming to school late and/or not attending school regularly has a detrimental effect on achievement. I look forward to working together with parents to help students appreciate the importance of timely, daily attendance! Their future employers will appreciate this, too!

Open House occurs this year from 6:30 to 8 p.m. Thursday, October 11. Our format will be as it has been for the past two years; a drop-in-to-see-whomever-you-like format, which parents have reported they like better than a highly scheduled evening. One change will occur. We will hold a financial aid forum in the auditorium starting at 6 p.m. that same evening. Please note: the district calendar says the financial aid forum will begin at 7 p.m. The financial aid forum will begin at 6 p.m. Teachers will be available from 6:30 to 8 p.m. We encourage you to come in and meet your student’s teachers. I know they look forward to meeting you so together we can support our students!

Homecoming week is October 1-6 this year. Mark your calendars for the PowderPuff football game and Food Truck Rodeo on the evening of Wednesday, October 3! Since Friday, October 5, is a Superintendent’s Conference Day, we will hold the annual pep rally on Thursday, October 4.

I am looking forward to the start of another school year, yet I do so with some sadness. This will be my final year as your Senior High School principal. I will graduate/retire with the Class of 2019 on June 28, 2019! I have spent my entire professional career at Rush-Henrietta and am truly blessed to have opportunities to learn, grow, and work in such a supportive environment. I am ever so proud of our students, staff, and this fine community.

Individual Music Lessons

This is a great opportunity for all ages to develop or advance musical skills. Lessons are available for guitar, drums, piano, voice and beginning violin. All instructors are New York State music educators or skilled performers. Students are responsible for their own instrument, maintenance, lesson materials, and supplies. After you register, your instructor will arrange your lesson times, dates, and school site with you. Cost for eight ½-hour lessons: $149.

To register for music lessons, call the Community Programs office at 359-7805.
