

September Newsletter

Dear Parents,

Welcome to Kindergarten!

Quick Tip:

Please feel free to send in a water bottle if your child would like to have water during the day.

Please only put water in the water bottle as we have had several leaks and the juice has spilled on other children's backpacks and school items.

We also have a fountain in class. If you send in an empty water bottle they children can fill the water bottle here and empty the bottle before we leave school to go home.

During the month of September the children will learn many new routines and how to

navigate through the school day. The children will also become familiar with where various classrooms in the building are.

Please help your child decide before school what they would like to order for lunch.

Birthdays – If you would like to celebrate your child's birthday please make arrangements at least one week ahead of time. Parents are invited to come in and read a story to the class. If you would like to send in a treat: Your child's birthday treat must be individually packed. Please do not send in treats that need to be cut. All treats need to be store bought and approved by the Nurse before being sent to the classroom. Please drop off all treats to the main office in the morning.

Examples include:

Apple Slices, Individual packages of goldfish crackers, Popcorn, Fruit Snacks, Popsicles, Small cupcakes.

*Children often enjoy bringing in non – edible treats as well. Examples include: bubbles, pencils, stickers, etc.

**Please check your child's folder every day!!!
