25 Quick Breakfast Ideas

by Jennifer Kerr, MS, RD, CDN

Breakfast gives you a chance to start each day with a healthy, nutritious meal and lays the foundation for lifelong health benefits. Breakfast is particularly important for children and adolescents. According to the American Academy of Nutrition and Dietetics, children who eat a healthy breakfast are more likely to:

- Meet daily nutrient requirements
- Concentrate better
- Have better problem-solving skills
- Have better hand-eye coordination
- Be more alert
- Be more creative
- Miss fewer days of school
- Be more physically active

Here are 25 options for quick and healthy breakfasts that are sure to please children and adults:

- 1 Single-serving bowls of whole-grain cereal
- 2 Pair string cheese with whole-wheat crackers
- 3 Granola bar and a piece of fruit
- 4 Hard-boil eggs to have on hand for busy mornings
