SHS Incomplete grading practice 2023-2024:

An incomplete for grading and reporting purposes is defined to be unfinished course work that is essential to accomplishing learning standards. Such course work is typically major assessments, projects, and/or papers through which students demonstrate mastery of content.

Any incomplete grade(s) without special circumstances will impact students' participation in our athletic program. Participation in sports, clubs, and other extra-curricular activities will be suspended until work is completed.
