What's Great in B-8?

Reading

In reading we have been reading A Single Shard. The book is about Tree-ear and Crane-man and their struggles in life. They live in 12th century Korea, they live in poverty as well. After we read we have to answer questions about the chapters we read then have a discussion with our group about it.

Writing

In writing we wrote 3-5 stanzas about Tree-ear and Crane-man. In the stanzas we wrote about their relationship.

Math

In math we did histograms, and used it to answer questions. We have to describe the shape of the histogram. The frequency table helps us create the histograms. I learned that histograms are helpful in life.

Science
